Consent Agenda
Meeting of September 8, 2022**

To: The Honorable Gina Driscoll, Chair, and Members of City Council

Subject: Approving the purchase of two replacement fire apparatuses from Ten-8 Fire & Safety, LLC for the Fleet Management Department, at a total cost of \$1,842,686; approving supplemental appropriations from the unappropriated balance of the Public Safety Capital Improvement Fund (3025) in the amount of \$317,000 to the Fire Engine 11/F481 Replacement Project (TBD) and \$397,000 to the Fire Engine 7/F448 Replacement Project (TBD).

Explanation: This purchase will be made from the Florida Sheriff's Association Contract No. FSA20-VEF14.02.

The vendor will furnish and deliver two fire apparatus pumpers equipped with thermal imagers, getac computer model v110, Aeroclave Room Decontamination Systems, and 2200W Honda EU2200I generators.

The new vehicles with life expectancies of seven years are replacing two existing units; one unit is seven-years old, and the other unit is eight-years old. By the time the new units are received, the existing units will be nine and ten-years old. These vehicles will be assigned to the St. Petersburg Fire and Rescue Department Stations 7 and 11 to be used as emergency medical services (EMS) response. These replacement vehicles keep the organization aligned with the capital replacement plan prescribed in the Advance Life Support First Responder (ALSFR) Agreement.

The purchase of these vehicles was initially scheduled for FY23 but is being moved up to FY22 due to the long lag time between ordering vehicles and delivery and to avoid cost increases scheduled for October 2022.

This purchase is aligned with the City Green Fleet initiatives as the policy relates to public service, emergency response, and safety requirements. Vehicle is equipped with a Final IV emissions certified Cummins L9, 370 hp diesel engine.

The Procurement and Supply Management Department, in cooperation with the Fleet Management Department, and the Office of Sustainability, recommends an award utilizing Florida Sheriff's Association Contract No. FSA20-VEF14.02:
