Elected legislative officials, full-time administrative management, full-time attorneys who elect not to participate in the Employees’ Retirement System and all other full-time classified or unclassified employees whose election to participate in the 401(a) plan, in lieu of the Employees’ Retirement System, is not contrary to any collective bargaining unit agreement, are eligible to participate in the Plan.

**When Am I Eligible to Join the Plan?**

Participation in the 401(a) Plan is optional. If you choose not to participate you will be enrolled in the Employees Retirement System. If you participate in the Plan you may not actively participate in any other pension plan offered by the City. Newly hired eligible employees have a 90-day waiting period before their participation begins. Participation starts on the first day of the next pay period following the 90-day waiting period.

**When Am I Vested In My Account?**

Eligible employees are 100% vested upon participation in the Plan.

**How Is My Account Invested?**

The Investment Advisory Committee develops the Plan’s Investment Policy Statement and selects the investment options in accordance with that Policy. The Committee monitors the investment options on a quarterly basis or more frequent basis and may make changes in the investment options at their discretion. The Committee may also retain the services of investment advisors, consultants, or other professionals for assistance.
You direct the investment of your account by selecting from the options available within the Plan. You may transfer among funds, change the investment of future contributions, and monitor the performance of all the funds via the MissionSquare Retirement website (www.missionsq.org) or by calling Mission Square Retirement at (800)-669-7400.

Loans are available to participants for the purchase of a primary residence only. The maximum loan is the lesser of $50,000, $50,000 minus the highest outstanding loan balance during the prior 12 months, or 50% of your vested account balance. Loans are requested via paper application through the Pension Office and require supporting documentation. Loan payments may be amortized from one month to 30 years and payments are processed via ACH from your bank account.

IMPORTANT NOTICE ABOUT BENEFICIARIES

FORMER SPOUSES AS BENEFICIARIES

Florida law section 732.703, as amended July 2012 may affect your City Pension, Group Life, AD&D and Deferred Compensation accounts if you were divorced after you made your last beneficiary designation.

(Note: The law also applies to such accounts as privately held life insurance policies, IRAs, and payable on death bank accounts.)

If you are still married to the same spouse as when you completed your beneficiary designations, no need to read further – the new law has no impact on you.

However, the law has an immediate impact on you if ALL of the following are true:

☐ You were divorced after you completed your last beneficiary designation; and
☐ You named your ex-spouse as your beneficiary (i.e., the person who will get your benefits after you die); and
☐ You did not re-designate your beneficiary (or re-designate your ex-spouse) after you divorced; and
☐ There is not a court order requiring you to keep your ex-spouse as your beneficiary.

IF you can check all 4 of the boxes above, then your designation of your ex-spouse as your joint annuitant or beneficiary is no longer valid!

What this means:

The new law invalidated your pre-divorce designation of your ex-spouse. If you die while still employed, benefits cannot and will not be paid to your ex-spouse.

What to do:

If there’s a court order from your divorce case requiring you to keep your ex-spouse as your beneficiary, send a certified copy of that order (you can get a certified copy from the clerk of the court that granted your divorce) to the City of St. Petersburg Pension Office. You will need to do nothing more than that.

If the above four conditions apply to you, and you wish your ex-spouse to remain as your beneficiary, you must re-designate your ex-spouse as the beneficiary.

Check your beneficiary designations by logging on to Oracle Self-Service. If you need to change or make a designation do so in Oracle Self-Service. You can find instructions on how to change your designations in the ‘Oracle Employee Self Service’ guide on the City’s Intranet (Intranet/Benefits/Benefits Forms). As always, please seek independent legal and tax counsel.
