SUPPORTING DOCUMENTATION

Supporting documentation must be included with this application.

For Leaks: Documentation must include the type and date of repair along with the service address where the repair was performed. Leak adjustments are limited to two per calendar year.

For Pool Fill Adjustments: Documentation must include the date of pool fill, or refill if repaired, the estimated number of gallons filled or refilled along with the service address where the pool was installed or repaired. Swimming pools must be properly permitted pursuant to law. Pool fill adjustments are limited to one per calendar year.

Examples: Invoices for repair or installation from a plumber or contractor, and/or receipts showing proof of purchase or repair to be submitted with leak adjustment requests.
