RE: Fire Code Review and Inspection Request Process

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code and Section 352.019 of the Texas Local Government Code, an Interlocal Agreement for Fire Code is made and entered into between the City of Thrall and Williamson County a political subdivision of the State of Texas. The Williamson County Fire Marshal's office will utilize the 2018 International Fire Code, related local amendments and the Williamson County Fire Code to provide minimum requirements, with due regard to function, for the design and construction or substantial improvement of public buildings, commercial establishments, and multi-family residential dwellings consisting of four or more buildings.

Our process includes:

- A comprehensive non-structural architectural plan review
- A detailed review of fire protection plans
- Permitting the development as well as the fire protection systems
- A diligent and detailed inspection program, performed by the Williamson County Fire Marshal's office

As a developer in the City of Thrall you will be required to register for an online account. This account will allow you to apply for permits, upload plans/documents and request inspections.

To register for an account, browse to WilcoPermits.com and click on the "Register" link in the upper right corner of the page, enter your email address and create a password to access the registration page. Fill out the registration form completely and submit. The information you submit will be verified and your account will be activated.

- To request construction/operational permits select the appropriate permit type (i.e. Plat, Site, Building, Mobile Food Vendor, etc.) and upload any requested/supporting documents for review and approval.
- To request/schedule an inspection select the inspection type (i.e. Certificate of Compliance, Fire Alarm and Detection, Fire Water Storage Tank Construction, etc.) and request a proposed date and time.

For additional information regarding the Williamson County Fire Marshal's office fire code review process, construction requirements, documents and other frequently asked questions browse to wilco.org/Departments/Fire-Marshal or contact our office as follows:
