

TIFT COUNTY DEVELOPMENT SUPPORT SERVICES

225D NORTH TIFT AVE
TIFTON, GA 31794

Plan submittals:

Site Plans for projects involving more than (5000 Sq Ft) of impervious area.
Soil Erosion Plan Review, (disturbing less than one acre)

Prior to Permitting

Effective February 8th, 2017

The Following Procedures Must Be Followed.

1. The Design Professional will send 2 copies of plans directly to Tift County Development Support office along with an electronic version. The plans will be sent to Engineering Department for review and approval. If revisions are required you will be notified by phone or email and you will need to send revised plans to our office for delivery to Engineering.
2. Once the plans are approved for permitting you will be notified. You will need to furnish our office with the site work contractors contact information and will need to provide proof of a Tift County Business registration license and provide a copy of GSWCC certification for the person in charge of BMP installation and maintenance.

You can access our design requirements at www.tiftcounty.org

Departments – Code Enforcement- resource library- Unified Development Code (UDC).

Chapter 4 – Landscape & buffers

Chapter 6 – Parking lot design and requirements
