

WELCOME TO SCITUATE!

A Coloring Book by
GARRETT GOULD

I am pleased to share with you this fun and informative coloring book which contains pictures of some very special and historic places in the Town of Scituate.

I hope you enjoy learning about our great Town!

I would like to personally thank Garrett Gould for the wonderful job he did in putting this together. Without his help, we would not have been able to do this.

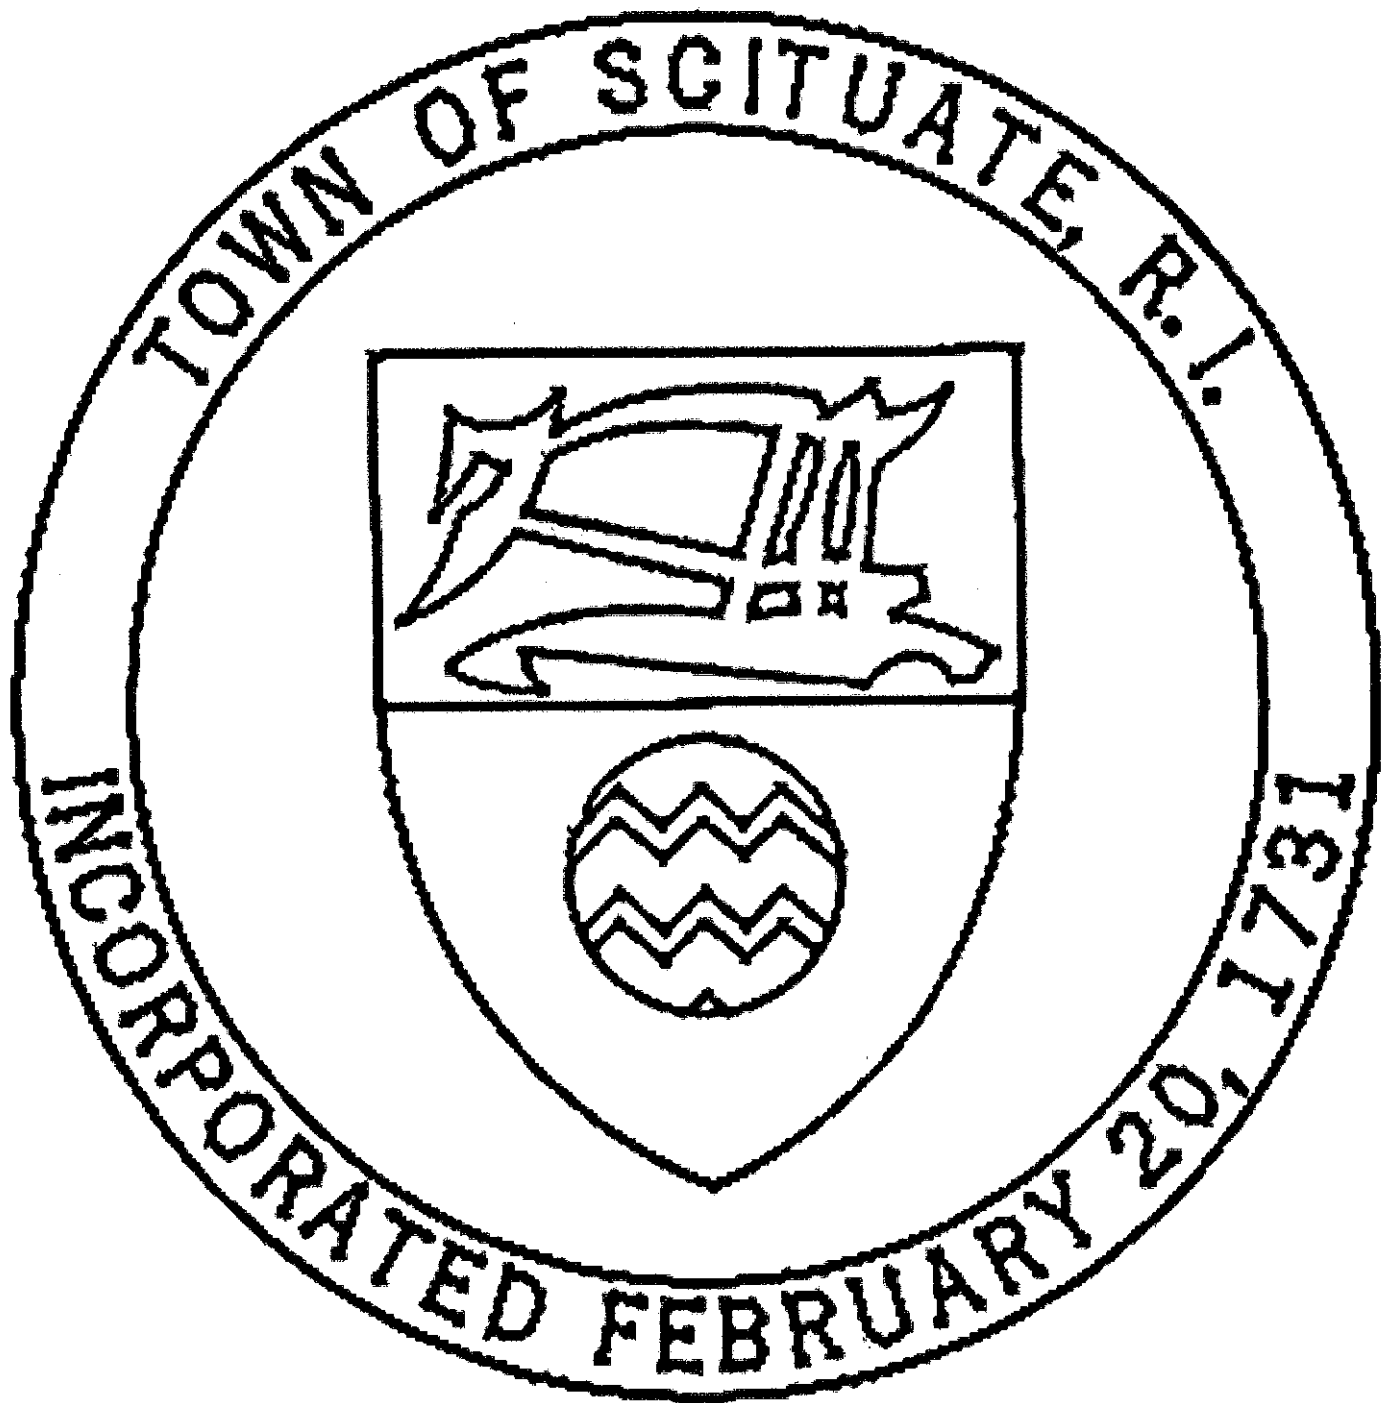

Sincerely,

Margaret M Long
