

WILLIAM J. RICCITELLI
PROBATE JUDGE

Jan. 11, 2023
To Town Council:

I am requesting a small increase to my salary. The probate court meets one day a month, and sometimes more when there is an emergency or special session required.

Nevertheless it is necessary for me to visit the town hall one week in advance to review the scheduled cases in advance and contact attorneys and pro-se litigants for corrections, additions, and administrative matters. The Town Clerk assists me. This results in a more efficient and orderly process than continuing cases constantly, especially when the litigants are pro-se (no attorney) and not familiar with probate requirements.

As a result an extra morning each month is spent on probate matters. I would appreciate a small raise to cover this 1 - 2 hr extra time on the extra day.

Thanking you for your consideration.
