Other News

- The new library server was installed on 1-29-2021. It replaces the one installed in 2007 and will provided secure, reliable, and faster computer access for patrons and staff.
- There has been a delay in the delivery of the library's rock ship reading nook. The Vendor has a family emergency and will reschedule delivery.

Patron Feedback

From: Pat Poulin

I also want to say THANK YOU for all that you do to make me, and others feel welcome. You are all so accommodating helping research and find books as well as ordering from other libraries when needed. This is a great benefit. I plan to use the Ancestry access that is now available until March. Being able to access from home during these times is wonderful.

Thanks again for being such a strong community asset.

Don asked me to send you a note of thanks for the extra work you did for him today and actually most times he needs something. You always go above and beyond and during these crazy times you still are even under difficult circumstances. Just know that it is noticed and appreciated!
Thank you so much,

Sharon (Don)

Hi Lisa,

I just wanted to write a little note to let you and the other staff at Winslow Public Library know how much I appreciate having our library books still available during this pandemic. Being home more - having more time to read - it has been a godsend to me and my family to have this free resource. Although I truly miss the smiling faces of Amy, Kathleen and the others, it's nice to know they're still behind the scenes and willing to help if need be and able.

Our library has always been an amazing resource and community center - I look forward to the doors opening to the public again! But in the meantime - thanks for staying open and keeping books available:)

With much appreciation,
Sarah Stone
