Dear Councilors,

Please accept the following report for the month of January.

- Police Activity graph for month of January 2021 attached. Total calls for service 742.
- I spent time last month re-writing the hiring process. I developed a 5-page check-off sheet that will be utilized each time so that I can assure consistency and accuracy. Getting a new employee ready for patrol has become very complicated. It must be done correctly to prevent costly problems in the future. The training process is at least 3 months not including the academy.
- With the departure of Captain Fleming, I am looking at all possible avenues to make Winslow Police Department more efficient. I know we need to change some past practices to provide a better product to the Town. I will gladly share my ideas before anything is implemented.

Respectfully submitted,

Leonard R. Macdaid  
Chief of Police
