Description of project:

I hereby certify that, I am the owner of record of the named property, or that I have been authorized by the owner to make this application as their agent. I agree to conform to all applicable laws and codes of this jurisdiction. Construction must start within 180 days of issuance of this permit. In addition, if this permit is issued, I certify that the Code Official's representative shall have the authority to enter all areas covered by such permit at any reasonable hour for the purposes of inspection of said work. All earthwork requires a call to DIGSAFE-811 or 1-800-344-4233, Winslow Public Works 207-872-1972, and Kennebec Water District 207-872-2763. **I also agree to notify the code official in a timely manner when stages of construction are reached which would require inspection.**

This permit is not valid until it has been signed by the Owner and the Code Enforcement Officer.

Check List

Building Plans	_____	Septic Permit	_____
Survey	_____	Street Entrance Permit	_____
Electrical Permit	_____	Street Opening Permit	_____
Plumbing Permit	_____	Public Sewer Connection	_____

Please include property lines, existing and new structures, including decks, porches and patios, all outbuildings, setback dimensions from property lines, well location, wastewater disposal system location, driveway and parking areas and streets. The plan shall accurately represent the relationship between any proposed structure or addition to an existing structure and all property lines to demonstrate compliance with the setback requirements.

PLOT PLAN

NOTE: If you are filling this form out electronically, you can **click on the grid below** to add an image of your plot plan. (You will need to open this document in ADOBE Acrobat to use this feature.)
You can also attach your plot plan to this application separately.

A large rectangular grid consisting of many small squares, intended for drawing a plot plan. The grid is empty and occupies most of the lower half of the page.
