## News

### Library Building & Grounds

- We discovered a leak in the library's hot water heater in July. After it was determined that it could not be fixed, we replaced the old tank with an on-demand unit that should reduce our energy usage.

- This month we replaced the library's four, 5/2 programmable thermostats with new digital models that allow us to program up to 4 different temperatures for each day of the week. This will not only help reduce our propane and electric bills but also allows us to customize setting to accommodate Council Meetings, half-days open and days closed.
- The Smart Televisions purchased for the council chamber were hung on multi-directional wall brackets in July. We will install a transmitter /receiver so the same images can be shown on both Wall units.

### Library Schedule for August

- The library will be closing at 3:30 p.m. on Thursday, August 31, so staff may attend a Town Employee Event.
- The library will be closed Monday, September 4, in observance of the Labor Day holiday.
