News

Due to scheduled maintenance of the library's circulation program, all patrons wishing to borrow materials from Monday, July 17, through Wednesday, July 19, will need to have their library card with them or know the last 5 digits of their library card number. If you patrons can't find their card, We are happy to look the information up for them between now and when we close at 1 p.m. on Friday, July 14.

Give IT Got IT Free Desktop Computers! This May we began working with the nonprofit **Give IT Got IT** to help Winslow residents sign up for free or low-cost computer and training. We have currently helped 6 residents get free computer and have until July 10th to reach more patrons who qualify.

Sumer Reading Programs

- Children's Program: We have 53 children participating in the to the program at the end of the 1st week of programming.
- Adult Program: We have 58 adults participating in the program at the end of the 1st month of programming.

Library Building & Grounds

We are switching our heating fuel vendor this July. Which means the library needed to have a new propane tank installed. For safety reasons, we decided to move the new tank back to the old location on the library lawn to protect the tanks from ice falling from the library roof. As a result, we have temporarily moved the model of Fort Halifax. Once the new tank is installed, we will decide on a new location for the model.

The library will be closed Tuesday, July 4th for Independence Day. We will be open Monday, July 3rd from 9 a.m. to 6 p.m.
