Other News

- The new touch screen computers we ordered for children under 6 have been installed. This will allow children 6 and under to use newer interactive learning games designed for tables and smart phones.
- We have been approved for a state grant that will allow us to purchase the outside locker system for afterhours pick-up of materials. I have filed the paperwork for the acceptance of the grant (after the council approved it) and am waiting on the check.
- I have not heard back about the Grant from Maine Municipal Association grant I applied for. This is to purchase needed new staff task chairs. The Library would need to pay for 1/3 of the cost, which would be less than \$800.00 if the grant is approved.
- The library will be offering an outside Summer Reading Book Group from June through August. The theme will be “Outcasts; How the World Looks from a Distance”. The first book in the series is “Girl on a Train” by *Paula Hawkins*. The books will be available mid-May and the first group will meet on June 24th at 12:30 p.m. on the lawn.
