Hello,

Last night I logged on to the library site, requested a number of books, received a phone call this morning for pick up. Despite these trying times, it is the public library that brings me such joy!

Thanks so much for providing this much needed service.

Hello Lisa,

My name is Meghan Giroux and I wanted to take a moment to let you know how much I appreciate all the staff at the Winslow Library. To me, having the library open has been a bright light in my day and it's the only time I get to interact with someone outside of my household. I can't thank you enough for keeping the library open during this time and keeping the MaineCat program going.

I especially wanted to take a moment to let you know how awesome Kathleen is. I have 2 young boys (4.5 & 7) and they look forward to picking out a craft or project they can do at home. Her and Amy always ask about my boys and making sure they have the latest and greatest craft and are now sending candy canes home for them when I pick up my books. They are both shining stars in my book. In fact, all of the staff at the library are wonderful and I appreciate them so much.

I hope you stay safe and healthy in these times and Happy Holidays to you and the staff at the library.

Thank you - Meghan Giroux
