

Parks and Recreation October Monthly Report

September was an exciting month kicking off our Rec Soccer season with 64 kids and Rec Field Hockey with 32 kids enrolled. These programs run through the month of September wrapping up in mid – October. Thank you volunteer coaches for your time and efforts in helping make this a successful season.

3 of our 7 teams this year – Thanks Central Maine Photography for the pictures!

On September 22nd we had the annual Homecoming Bonfire which is a popular event for all. There were games, food, music, and of course fire! Thank you to everyone that helped make this such a successful event. I know all the athletes appreciate the fun send off for their homecoming scheduled games.

Winslow Rec Travel Team with their Scarecrow for the fire

We continue to wait for the new climber for the 107 playground. I am still hopeful that it will be installed this year but if the weather does not cooperate it will be move to a spring installation. In October we will start the process of taking down nets, moving goals, closing water in parks, and prepping for winter. October 21st is our first ever Fall Festival. We will have live music, food trucks, farmers market, and kids' activities. I hope everyone comes out for a day of fall family fun! Not long after that we will have the Parade of Lights on November 25th that will be starting in Winslow and moving into Waterville. Stay tuned for more information!

Respectfully submitted,

Amanda McCaslin

Director of Parks and Recreation
