

## May Parks and Recreation Monthly Report

I am happy to report that I have filled the Summer Fun Camp Director position. Beth Lafountain will be filling this crucial roll this summer. Beth as a youth worked as a councilor and has spent her adult hood working in sports programs, at the High School, and is most currently the High School's Varsity Baseball Coach. We are currently holding registration for 10 programs that will run this summer. This summer we will have all our programs back plus a few additional opportunities. So far numbers are looking like it will be a very busy!!! Registration will be open and available through the month of June at the rec center Monday-Friday 7:30-5:00.

The first week of June we plan to resod KSB and then rest the field through the summer. It will make it tight for field use but is necessary maintenance this year. All the town fields will be grub treated, over seeded, and soil sampled.

The grass has been growing!! Dean and I are excited to be fully staffed next month to get caught up on trimming and field set ups. Dean has started to replace swings and parts that have come in for the playgrounds. We will continue to work on playground equipment throughout the summer.

Dates to note are June 11<sup>th</sup> Fort Halifax Days, June 15 the DAR will be teaching a class on Cemetery Stone Repair, Kick off to all rec programming June 27<sup>th</sup>.

Respectfully Submitted,

Amanda McCaslin

*Director of Parks and Recreation*
