Dear Councilors,

Please accept the following report for February.

- On Tuesday 02/15/22 I had a meeting with the superintendent and all the principals of Winslow Schools. We worked on updating and refining our emergency school policies.
- All job descriptions have been updated, distributed to all officers, and turned into workman's compensation per our yearly requirements.
- On February 11, 2022, Detective Veilleux completed his advance training certificate. Please see the letter enclosed from Assistant Director Jack Peck from the Maine Criminal Justice Academy. This is a significant accomplishment. Congratulations John for your hard work and dedication.
- Please see enclosed thank you letter from Shayla Bickford. Included also is an E-mail from Sergeant Lund that explains in detail the circumstances of the domestic incident. Good job to Sgt. Lund, Officer Scott and Officer Rousseau.
- Please see enclosed FBI-LEEDA certificate of completion for the school I attended in Connecticut the last week in February. It was high intensity training on internal affairs investigations. This is required training that I need for my executive certificate renewal required every three years to remain a certified police chief.

Respectfully submitted,

Good afternoon Detective Veilleux,

I have been in receipt of your application for the Law Enforcement Advanced Certificate as outlined under Specification S-14 of the Maine Criminal Justice Academy.

After review I have determined that you are more than qualified for this certification. I have informed the Academy Director, Rick Desjardins and we will formally notify the MCJA Board of Trustees of your approval at their March 4th meeting. Thank you for service as an instructor and more importantly for your service to your community for the last eight years. I will send the certificate thru the mail on Monday. Thanks again and stay safe.

Subject: Thank you card

Chief,

The person that sent the card had reported that she was assaulted here in Winslow inside her residence by her estranged boyfriend. I met the female here at the station and conducted an interview and I instructed her on how to get a protection order. I then set out to find the accused so I could conduct an interview with him. Several attempts were made to interview him and serve him with the protection order but we were unsuccessful. The suspect was aware we were trying to locate him and he was refusing to come forward. I drafted an arrest warrant which was signed and granted for the charge of Domestic Violence Assault. The suspect has a long criminal history of violence and drug charges.

Several days passed. Late one evening the victim contacted police reporting that the suspect was just dropped off at her house and she had been assaulted (again). During this incident he took her phone so she couldn't call police. He then fled the residence on foot. I responded on scene with Officer Theobald and called in a K9 for a track. The track was unsuccessful. It appeared that someone picked up the suspect because the track had gone cold.

A couple days later the victim's mother called the police department asking us to do a welfare check on her daughter. Officer Rousseau and Officer Scott arrived on scene. They located the suspect hiding inside the residence. He was arrested and charged with the arrest warrant for Domestic Violence Assault, a second count of Domestic Violence Assault (for the second episode), Obstructing the Report of a Crime (for not allowing her to call police) and a probation hold because the suspect was already out on probation for felony charges of illegal possession of a firearm. He was also served the protection order that he was avoiding. The suspect is currently in Kennebec County Jail.

The victim dropped off the card to express her appreciation at the efforts of the Winslow Police Department to try and keep her safe.

I Can't thank you
and your team enough
for all your hard work
and time put into this
case and helping me.
You truly helped more
than you'll ever know,
and I just wanted to
express how much I
appreciate everything you
went through to get
where we are now. I
know it's your job - but
without you... I wonder
what would've happened
to me.
So, again, thank you.

Just saying "thank you"
doesn't seem enough.

I hope you know
how appreciated you
really are.

From,
Shayla
