Dear Councilors,

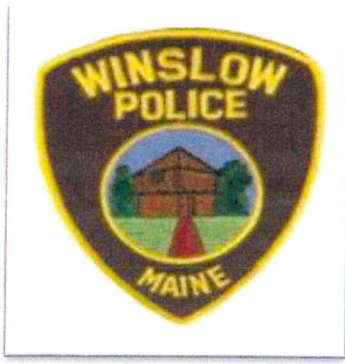

Please accept the following report for January.

- Police Activity Graph for the month of January 2022. Total calls for service 1003.
- Ellen Stewart (the SRO) attended the 2022 Maine Trauma Prevention Conference last month which included the following topics: essentials of adverse childhood experiences, understanding the impact of trauma on boys, consent and empathy for parents, and victims of technology-facilitated abuse.
- Officer's Scott and Rousseau were qualified in the intoxilizer for detection of impaired driving.
- On 01/13/2022 all training records for the year were hand delivered to the MCJA in Vassalboro.
- Last month all mandated policies and mandatory standards were updated to reflect recent law changes. All Officers were distributed updated copies.
- Lt. Hubert and I had a meeting in Waterville regarding our records management system. Within 5 years our current system (*IMC*) will be outdated. All local agencies will be researching the next step to ensure no lapse in record data collection or service to the public.
- Officer Scott and Poulin went back to their college in Bangor and assisted with a student police academy. It was nice to see young officers who were willing to volunteer their time to help others trying to get into this profession.
- Large white boards have been placed on the walls in the patrol office. These boards will allow officers to track all major active open complaints. We will also leave unsolved cases on these boards. This information in plain view will be a constant reminder of what we all must concentrate on daily to keep our town safe.

Respectfully submitted,

Leonard R. Macdaid
