## *Department News*

*As you can see, we were busy this month. We had some serious EMS related emergencies that were handled professionally by our staff. With a few that went above and beyond your normal everyday EMS runs. I would like to give a shout out to Captain Waylon Capp, Firefighter/EMT Wyatt Oliver, Paramedic Kolby Dunsmore and Firefighter EMR John Moshier. For the exceptional work on a Cardiac arrest. Also, to Captain Jonathan Beringer, Firefighter EMT's Michael Greenberg and Eric Chamberlian for exceptional patient care to a very sick child. Congratulations to Firefighter / EMT William Crawford for completing his firefighter I&II class.*

*We as a department take pride and ownership in our training and abilities to serve the town of Winslow with the highest ability. We have multiple members in a variety of special trainings Instructor I&II, Officer I and EMS trainings including Advanced EMT and Paramedic classes.*

*We look forward to working with the new incoming councilors. Congratulations to them.*

*I would like to thank everybody for the opportunity to be the new Winslow Public Safety's Fire and Rescue Division Deputy Chief. I have been diligently working on cost savings measures and have had great success. Saving money on EMS supplies, working with neighboring departments on cost savings with equipment and supplies.*

*With the cold weather already here as well as the holiday season. Please check on your elderly neighbors, keep your chimneys clean and please keep your real Christmas tree properly watered. Also, please be mindful of overloaded electrical cords and power strips. Always check and maintain your smoke detectors.*

*Respectfully Submitted,*

*Michael S Murphy  
Deputy Fire Chief*
