Our 11-12 year old Girls Division took 2nd Place, our 15-18 year old Girls Division took 3rd Place and our 15-18 year old Boys Division took 1st Place. - This is the last week of freedom for the kids
- Convocation will be held Wednesday August 19th

TUSD 202 SCHOOL BOARD MEMBER'S REPORT (Doug Powers)

- Tuesday we will have our budget hearing before our regular meeting
- Looking at the same type of budget as last year
- Mil Rate is going up - we are posing an explanation on our website because the new Oak Grove is not the reason for this increase
- Staff is almost full. We are still looking to fill a few positions and they are all posted on our website.

8. ROUND TABLE

A. Highland

Sporting KC completed the Futsol Court Project. There are a few cosmetic things still being worked on before the Grand Opening. We will be adding a sign that states there are no skateboards, roller blades or scooters allowed on the futsol courts. Good News there are people utilizing the courts already.

There are 9 set of bleachers that are put together and ready to place. We (the board) needs to decide what we are going to do. The fence company is ready to start when we are.....

Camellia's Vision - Put 2 soccer fields west of the Futsol courts towards 52nd Street. Clean up the shelter or just make a play area. Softball and Baseball Fields. Leave the big baseball field but possibly shrink the outfield. Remove the Bathrooms and place a building for storage, concessions, bathrooms and build it so we could add on to it with basketball/volleyball courts.

8. ROUND TABLE - continued

A. HIGHLAND

- Daniel - Please have Camellia put thoughts on paper and get quotes along with diagrams and priorities.
- Bobby - Camellia want each Board Member to put a plan together
- Kristin - Personally would love to see indoor stuff done first but realistically the outdoor fields are probably needed more.
- Bobby - We still have the storm drain issue to deal with too.
- John - Please send the board the diagram of Highland for us to put thoughts together.
