Re: Mud Mountain Tower

It is my opinion that the existing tower at Mud Mountain is well beyond its useful service life and should be condemned. It has already been deemed unsafe to climb, partially due to the current overload condition and also a split in one of the pipe legs.

This particular type of tower structure was never intended to be used for a commercial application, in fact most of this style tower I have encountered were built for use at television receive antennas for residential purposes.

Most lattice type towers incorporate a combination of horizontal and diagonal bracing; you will notice in the photos below that this tower has only horizontal bracing, which makes it a very weak structure. The connections of the horizontal members to the vertical legs are welded connections, but given the fact the steel is all thin wall tubing (not actual pipe), this too contributes to a weak structure.

In such event, the member shall explain his/her reasoning prior to the item being discussed by the City Commission. The recusing member shall then remove himself/herself from the City Commission chambers prior to the commencement of any discussion of that particular agenda item, and shall not vote on such item.

PROCEDURES**

2.1 Preparation and Distribution of Agendas

- A. The _____ shall prepare the agenda for all Governing Body meetings.
1. Matters may be placed on the consent calendar which are routine or ministerial in nature.
2. The city clerk shall assure that scheduled public hearings have been duly advertised.
- B. All material to be presented to the Governing Body shall be submitted to the city clerk not later than _____ days prior to the meeting date.
- C. The agenda, along with introductions and related material, shall be available to each member of the Governing Body at least _____ days in advance of the meeting.

2.2 Minutes

- A. Minutes shall include at a minimum the date, time and place of the meeting, the names of members in attendance and those absent, the substance of the proposals considered and a record of any decisions and votes taken that show how each member voted.
- B. Approval of the minutes shall be placed on the consent calendar. Unless a reading of the minutes is requested by a member, the minutes of previous meetings may be corrected and approved without reading.
- D. Previously approved minutes may be corrected whenever an error is noticed, although the time to reconsider the vote has elapsed in accordance with Article II, Section 10 of these rules.

2.3 Order of Business

- A. The order of business of the Governing Body shall be conducted in the following order; provided, however that the presiding officer may, during a meeting, rearrange items on the agenda to conduct the business before the Governing Body more efficiently:
- Call to order and Pledge of Allegiance
- Public Forum
- Consent Calendar. The consent calendar is approved by a single motion. Any member of the Governing Body may request an item to be withdrawn from the consent calendar without discussion or vote.
- Staff Reports
- Public Hearings
- Ordinances
- Action Items
- Adjournment

2.4 Ordinances and Resolutions

A. Ordinances. An ordinance ranks highest in authority of all actions of the Governing Body. If duly enacted, an ordinance has the force of law within the municipality and may be enforced in municipal court.

1. Ordinances shall be adopted in accordance with section 3-17-1 *et seq.*, NMSA, 1978.

2. Ordinances are open to amendment provided such amendment does not constitute a substantive change. Amendments shall be in accordance with Article II, Section 2.12 of these rules.

B. Resolutions. A resolution is an internal legislative act which is a formal statement of policy concerning matters of special or temporary character.

1. Resolutions are open to amendment provided such amendment does not constitute a substantive change. Amendments shall be in accordance with Article II, Section 2.12 of these rules.

2. Substantive amendments offered to resolutions may require the resolution to be postponed to a subsequent meeting.

C. Withdrawal of Ordinances and Resolutions

An ordinance or resolution which has been introduced is in the possession of the Governing Body and may be withdrawn only with the consent of the Governing Body.

D. Substitutes for Ordinances and Resolutions

A councilor may recommend that every clause in an ordinance or resolution be changed and that entirely new matter be substituted, so long as the new matter is relevant to the title and subject of the original measure.

2.5 Approvals

Approvals are the class of action in which the Governing Body shall make the final determination upon the recommendation of the mayor or the city manager. Those items requiring approval by the Governing Body shall include, but not be limited to:

1. Mayor's communications recommending appointments to boards and commissions;

2. Approval of contracts, administrative or departmental requests.

2.6 Appeals

Appeals to the Governing Body are the class of action mandated by statutory or ordinances provisions.

2.7 Proposals for Action

A. Proposals for action shall be presented to the Governing Body for its determination as a definite proposition in the form it is desired that the action be taken or question resolved.

. Proposals for action shall be in the format adopted by the Administration.

2.8 Motions

Presentation of Motions

1. Main Motion. A main motion presents an ordinance, resolution, or other proposition for the passage, adoption, approval, or rejection. The question is usually stated in the positive form, "to pass", "to adopt", "to approve" "to confirm", to concur.
2. A main motion must be seconded before debate can take place and only one main motion may be on the floor at a time. A councilor may give brief explanatory comments before stating the motion, but must refrain from debate until the motion has been seconded. In the absence of a second, the motion fails. Main motions are debatable, amendable, and can be reconsidered after adoption.
3. Motions become the official recorded statement of an action taken by the Governing Body. A motion should therefore be worded in a concise, unambiguous, and complete form appropriate to such a purpose.
4. A motion should not be offered if its only effect is to propose that the body refrain from doing something since the same result can be accomplished by no motion at all.

2.9 Postponement of Action

- A. Postponement (to a definite time). The motion to postpone defers action on a pending question to some definite, day, or meeting. When a question has been postponed to a certain time, it becomes an order of the day for that time. When the time to which a question has been postponed arrives and the question is taken up, it can be postponed again if the additional delay will not interfere with the proper handling of the postponed question. The motion to postpone is debatable, amendable, and may be reconsidered.
- B. To Table. (postpone temporarily) Any measure before the Governing Body may be tabled temporarily at the same meeting. Items must be removed from the table and acted upon prior to adjournment. The motion to table is not debatable, not amendable, and cannot be reconsidered.
- C. To Remove from the Table. (Resume Consideration) The purpose is to bring before the Governing Body for action a question that has previously been laid on the table. The motion to remove from the table is not debatable, not amendable and cannot be reconsidered.

2.10 Reconsideration of Action.

The purpose is to permit the Governing Body to reconsider a vote on previous action. The reconsideration of a negative vote on final action is as proper as reconsideration of a favorable vote.

A. Right of Reconsideration

The motion to reconsider may be made at the same meeting or a subsequent meeting. However, certain rules apply as appropriate under the circumstances.

1. The motion must be made by a member who voted on the prevailing side.
2. The motion to reconsider is inappropriate after the action taken has gone into effect or after it is too late for any reason, to reverse the action taken.

3. The determination of reconsideration is dependent on the passage or failure of the motion for reconsideration.
 4. Should the motion for reconsideration pass, the item is immediately before the Governing Body to be acted upon or scheduled for hearing at a subsequent meeting.
 5. Should the motion for reconsideration fail, the item remains as adopted.
 6. Either the motion to reconsider or notice of intent to reconsider must be made not later than the next regular meeting. A member of the Governing Body may indicate notice of intent to propose reconsideration either orally or in writing.
- B. Effect of Reconsideration.
The effect of making the motion to reconsider, or of giving notice of the motion, is to suspend all action on the subject of the motion until the reconsideration is acted upon.
- C. Reconsideration at a subsequent meeting.
1. When notice is required for a question, the Governing Body shall comply with all rules requiring public notice.
 2. If reconsideration will be taken up at a subsequent meeting, notice of intent will be placed on the agenda. The determination of reconsideration is dependent on the passage or failure of the motion for reconsideration.
- D. Debate of Motion.
Debate on the motion to reconsider will be limited to the merits of the reconsideration and not the merits of the question to be reconsidered.
- E. Vote.
The passage of the motion to reconsider requires a majority vote, even if the measure to be reconsidered requires a two-thirds vote.

2.11 Appeal a decision of the presiding officer. An appeal must be made promptly before any debate or other business has intervened. When an appeal is taken, the presiding officer should clearly state the decision being appealed and may state his reasons for his decision. If there is no debate, or when debate is concluded, the presiding officer may put the question to the Governing Body. A majority vote of those present sustains a decision of the presiding officer.

2.12 Amendments

- A. Every amendment proposed must be relevant to the subject of the proposition.
- B. A proposed amendment takes precedence over the original motion out of which it arises and must be voted upon before the original motion.
- C. After an amendment is adopted, the question as amended must be put to a vote.
- D. Rejection of an amendment leaves the pending question worded as it was before the amendment was offered.

- 1 E. Form of amendments
2 1. Amendments should be offered in a concise, unambiguous and in a
3 complete form of a motion.
4 2. In form, amendments should be divided into the following types:
5 a. To add (that is to place at the end)
6 b. To insert
7 c. To strike out
8 d. To strike out and insert
9 F. Decision on amendments
10 1. An amendment, once adopted, may not thereafter at the same
11 meeting be changed or modified, except upon reconsideration of the
12 vote by which it was adopted.
13 2. When a proposed amendment has been defeated, the same
14 amendment may not be proposed again without first reconsidering the
15 vote by which the amendment lost.
16 G. The presiding officer may require amendments to be submitted in writing.
17 H. Withdrawing Amendments and Accepting Modification
18 1. Amendments may be withdrawn before being seconded and stated by
19 the presiding officer. After it is seconded and stated it is in the
20 possession of the Governing Body and be withdrawn only with the
21 consent of the Governing Body.
22 2. A member may modify an amendment before it is seconded and
23 stated by the presiding officer. After it is seconded and stated, it is in
24 the possession of the Governing Body and can be modified only with
25 the consent of the body. The presiding officer may put the question of
26 modification without waiting for a motion, if there is no objection.
27
28

29 ARTICLE III 30 RULES OF ORDER

- 31
32 3.1 Rules of Debate. Debate is the essential feature of a legislative body. It is the
33 means by which the opinions of members are exchanged, questions deliberated and
34 conclusions reached on the business before the body.
35 A. To permit debate:
36 1. There must be a debatable question before the body, and one
37 member must have been recognized as entitled to speak.
38 2. All debate must be addressed to the presiding officer, and not to the
39 members.
40 3. Debate must be confined to the question before the body.
41 B. Time Limits. The presiding officer may set time limits in debate.
42 C. Call the Question (Previous Question). Debate may be closed immediately
43 by calling the question. The motion for the call for the question may motivate
44 unanimous consent to ending debate. Before such a motion has been
45 seconded, the chair may ask if there is any objection to closing debate. If
46 there is no objection, the presiding officer shall immediately call the question.
47 If one member objects, the presiding officer shall ask if there is a second to
48 the motion. If there is a second to the call, he must immediately take a vote
49 on whether to order the call for the question. The call for the question
50 requires a two-thirds (2/3) vote before the vote on the question to which

1 applied. The call for the questions is neither amendable nor debatable and
2 can be reconsidered.
3

4 **3.2 Rules of Voting**

- 5 A. Each councilor in attendance must vote for or against all measures before
6 the Governing Body, unless there is a conflict of interest, for which abstention
7 is recognized. Such conflict of interest disclosure shall be recorded in the
8 minutes.
9 B. A member shall not explain his vote during voting, which would be the same
10 as debate at such a time.
11 C. Except for procedural matters, voting shall be by roll call and each councilor's
12 vote shall be recorded in the minutes. Roll call votes shall be at random.
13 Actions declared as procedural by the presiding officer may be decided by a
14 show of hands or voice vote.
15

16 **3.3 Decorum**

- 17 A. Members must address all remarks through the presiding officer.
18 B. Members of the Governing Body shall confine their remarks to the question
19 under discussion or debate, avoiding personal references or attacks on fellow
20 members, staff members or members of the public. No member of the
21 Governing Body shall engage in private discourse or commit any other act
22 tending to distract the attention of the Governing body from the business
23 before it.
24 C. A member who resorts to persistent irrelevance or persistent repetition may
25 be directed to discontinue his speech by the presiding officer.
26 D. Point of Order A councilor may call attention to the violation of the rules or a
27 mistake in procedure by rising to a point of order. The presiding officer may
28 permit a full explanation before ruling on the claim and may submit the
29 question to the Governing Body for decision by a majority vote. The
30 presiding officer is not required to decide any point of order not directly
31 presented in the proceedings of the body. Such an assertion does not
32 require a second, is not debatable nor amendable and cannot be
33 reconsidered.
34 E. Question of Privilege Questions of privilege do not relate to pending
35 business, but have to do with special matters of immediate and overriding
36 importance which, without debate, should be allowed to interrupt the
37 consideration of anything else. The presiding officer makes a ruling as to
38 whether it is admitted as a question of privilege and whether it requires
39 consideration before the pending business is resumed.

1
2 3.4 Public Hearing Procedures

- 3 A. Reasonable efforts shall be made to give notice of public hearings to all
4 interested people. Notice of public hearings shall state the subject, the time
5 and place of the public hearing, the manner in which interested people may
6 express their views and where interested people may obtain copies of the
7 material that is the subject of the hearing.
- 8 B. At the beginning of the public hearing, the presiding officer shall require that
9 all interested persons, who have an immediate, pecuniary or direct interest
10 that will be substantially and specifically affected by the proceeding, and
11 witnesses sponsored by such interested persons, wishing to address the
12 Governing Body register with the City Clerk, giving their names and
13 addresses, and whether they wish to speak as a proponent, opponent, or
14 otherwise. Any person who fails to register shall not be permitted to speak
15 until all those who signed in have spoken.
- 16 C. All interested persons offering testimony as parties to the proceeding and
17 their witnesses will be sworn by the City Clerk and are subject to cross-
18 examination by other parties, city staff or the Governing Body.
- 19 D. The presiding officer may change the order of speakers so that testimony is
20 heard in the most logical groupings, e.g., proponents, opponents, adjacent
21 owners, vested interests, etc.
- 22 E. The presiding officer will introduce the item, open the public hearing and call
23 upon the staff to submit its report into evidence and request the proponent to
24 describe the matter under consideration.
- 25 F. Interested persons shall have the opportunity to submit data, views or
26 arguments orally or in writing. All written material must be marked as
27 exhibits, submitted to the Clerk, and placed into evidence as part of the
28 administrative record
- 29 G. The presiding officer may establish reasonable speaker time limits.
- 30 H. After the Governing Body has heard all the evidence, the presiding officer
31 closes the public hearing and entertains a motion. Following the motion and
32 its second, discussion occurs among the body.

WORK PERFORMED:

Service and repair of heater
Met with Tammy at pool. She showed me the
Sensor problem. I found the Sensor Well had been removed
from the piping. The Sensor Well had holes in it therefore it
would leak with the pump on. I installed new 1/2" well and
reinstalled the sensor. Next tried to fire the heater for
the pool. It would not even try to fire. Determined the
ignition controller was defective. Used a Honeywell Universal control
Completed wiring and now the heater will fire. Next I
 pulled the burner tray and draft hood assembly to inspect.
Cleaned and vacuumed A LOT of debris from the heater and heat
exchanger. See pics. This heater is operational now but is not
in good condition overall. The heater must have valves set to
maintain an inlet water temp of 100°-105°. Clearly
this was not maintained. Therefore there is a lot of over-

of blockage in the heat exchanger due to heavy condensation in the heater. The heater also has a lot of rust & corrosion due to chemicals stored in the room with the boiler. These chemicals are drawn into the boiler when it is running and will damage the heater.

Completed cleaning and inspection of the heater. There is a lot of damage to the burner tray due to condensation. This has damaged the metal frame that supports the burners.

This will lead to the burners not staying in place and cause more damage. Also the "fire brick" or refractory is falling apart. This is the insulation for the metal cabinet in the burner area. As it falls on the burners it can create heat damage and incomplete combustion.

Possible Carbon Monoxide! This room should have a carbon monoxide detector in it.

This summer season should be the last for this heater. Due to age and overall condition it must be replaced. Overall condition does not merit repairs.

Hi Tammy,
sorry I don't have an official quote for the other options....once we started looking at them, there will be replumbing etc.....BUT I can give you a rough estimate. If they are interested, we can come and look so we can give better estimate.
So here are the options, with some explanation:

Raypak Hi Delta (sealed combustion, 84% efficiency): approx. \$34,050

The above heater with Cold Water Run - this helps with condensation and prolongs the life of the heater): approx. \$39,363.

If you need any brochures for these boilers I could send them over to you also.

Thanks

Benita

CITY OF TRUTH OR CONSEQUENCES
COMMISSION ACTION FORM

ITEM:

Discussion/Action: Final Budget pay increases clarification.

BACKGROUND:

On September 12th Finance Director Torres informed me of a possible policy violation regarding FY19 COLA/Merit increases that may result in an audit finding.

The City Commission approved the final budget on 07/25/2018 but they were instructed to apply wage increases effective beginning 07/21/2018, four days prior to approval of the budget.

Per the City's Personnel Policy, Section 5: Pay Classification:

5.3 Pay Changes, Effective Date. Pay changes shall normally become effective on the first day of the pay period following approval of the change.

Finance Director Torres contacted our lead auditor for the City's external auditors, Patillo, Brown, & Hill, L.L.P., the State Auditor's Office, and our Internal Control Officer, Mr. Gary Gaylord. Each of these individuals concur, that the only way it would be acceptable to backdate the increase was if the Commission specifically included the effective date on their motion and approval. The Commission can make such a change as long as the effective date is specified during the Commission meeting and recorded on their official minutes. Their interpretation is that the word "normally" as used in the policy allows the Commission the opportunity to specify an effective date. As there was no such specification, the recommendation was to proceed with the increase on the first pay period after the Commission passed the action. In this case, that would be effective with the pay period beginning Saturday, September 15th.

In order to rectify the pay period in question, we are requesting the Commission to take action to ensure the COLA/Merit increases that were approved in the Fiscal Year 2018/2019 Budget Adoption to be effective as of 07/21/2018.

STAFF RECOMMENDATION:

Approve the COLA/Merit increases that were approved in the Fiscal Year 2018/2019 Final Budget Adoption to be effective as of 07/21/2018 which is the beginning of the pay period.

CITY OF TRUTH OR CONSEQUENCES
COMMISSION ACTION FORM

ITEM:

Interim City Manager and Acting City Clerk compensation clarification.

BACKGROUND:

In light of the previous agenda item and the possible audit finding. We would like to request some clarification on the motion that was made at the August 22 meeting in relation to the 15% increase for serving as Interim.

The action taken after that Executive Session was:

Commissioner Hechler moved to approve that anyone placed in an Interim/Acting role for this vacancy be given a 15% increase. Mayor Pro-Tem Whitehead seconded the motion. Motion carried unanimously.

In order to rectify the interim pay to be paid from the date the Interim City Manager was appointed, we are requesting the Commission to take action to ensure the 15% increases that were acted upon at that meeting to be effective as of 08/28/2018. And we also need the Commission to clarify whether that included the Deputy Clerk while serving as the Interim City Clerk during this time.

STAFF RECOMMENDATION:

Approve the 15% increase for the Interim City Manager and Acting City Clerk to be effective as of 08/28/2018 which is the first day after the termination of the former City Manager.

They may, however, request a hearing by the city commission if they feel they have been treated unjustly. The city commission shall hear any grievance by managerial employees no later than thirty days from the original date of its initiation. The city commission's decision shall be final, except for recourse to the Equal Employment Opportunity Commission, the New Mexico Human Rights Commission, and the District Court, which is available to all citizens.

10.1 INFORMAL RESOLUTION PROCEDURE

Any employee with a problem in which he feels he has been treated unfairly, unequally, or unjustly shall first attempt to discuss and resolve the matter with his immediate supervisor and department head. Every effort shall be made to conciliate the matter in as expedient, reasonable and objective manner as possible.

10.11 Personnel Officer or Designee. If employee and supervision cannot resolve the matter the employee and /or supervisor can request the personnel officer to mediate the matter and offer his advice toward resolution. - 10.22 Personnel Officer or Designee. The department head shall forward the formal grievance to the personnel officer or designee, no more than one (1) week after initial receipt. The department head shall submit in writing his account of the grievance to the best of his knowledge, after informal resolution attempts and preliminary investigation of the matter have been made, and make a recommendation for resolution. The personnel officer or designee shall review the grievance and attempt to negotiate a satisfactory solution to the matter within no more than ten (10) days after initial receipt of the formal grievance. If he fails, the aggrieved shall have all or any of the following recourses of action available. The following actions will be coordinated by the personnel officer or designee.
- 10.23. City Manager. A formal meeting with the city manager to attempt a satisfactory resolution of the grievance to be fully documented within two (2) days of the initial receipt of the formal grievance.
- 10.24 Committee Hearings. A formal hearing with the Personnel Appeals Board to be fully documented within thirty (30) days of the initial receipt of the grievance. The following conditions shall apply:
 - 10.241 The aggrieved, the committee, and/or management may request the presence and/or testimony of persons with information relevant to the grievance.
 - 10.242 The aggrieved, the department head, and the supervisor (if applicable) and the City Manager shall be present at the hearing. **The aggrieved employee may, at his or her own cost, have legal representation present at the hearing provided said legal counsel gives written notice. In such event, City management may also have legal representation present.**
 - 10.243 The Board shall submit in writing its determinations to the aggrieved, the department head, and city manager within forty-eight (48) hours upon conclusion of the hearing to include whatever recommendations it deems proper to be initiated and followed. The city manager's final determinations and recommendations shall be binding and the aggrieved shall comply with them, unless the aggrieved is granted a further hearing by the city commission as follows.
- 10.26 City Commission. If the aggrieved employee finds no satisfactory solution through the above procedures and actions, he may request in writing within *ten (10) days* from the date of the City Manager's final determination, a further review by the City Commission. It shall then be the City Commission's alternative to reject or grant the request as follows:
- 10.261 Reject the request and accept the City Manager's final determination and recommendations in full, as written, and notify the aggrieved and the City Manager of that action within thirty (30) days of initial request of the aggrieved.

 2. Limit the hearing to written briefs submitted by the employee and the City Manager and/or their legal representatives.
 3. Grant a further hearing only if the employee establishes the existence of such evidence that could not have been presented at the time.
 4. A review for the sole purpose of determining the appropriate penalty, whereby the City Commission is already satisfied that culpability has been established.

The aggrieved and City Manager shall be notified of the City Commission's actions within thirty (30) days of the initial request of the aggrieved.

- 10.27 Alternative Recourse for Satisfaction. In the event employee cannot obtain satisfaction for his grievance from the city grievance procedures available, he may file a grievance with the New Mexico Human Rights Commission, the District Court, or any other recourse available to all citizens. Management shall assist employee in his efforts for an alternative recourse of action by advising him of the formal procedures necessary to file such grievances.
- 10.28 Confidentiality. All information and documentation involved with the grievance procedure shall be strictly confidential.
