C. NEW BUSINESS

1) Discussion/Action: Healing Waters Fountain Improvements

Member Gustin stated that it's not Healing Waters Plaza, its Geronimo Springs Fountain. He stated that the fountain is not in really bad shape, it just needs some repairs. He has distributed the recommendations from the artist. The artist has already replaced some tiles that were broken at no charge. According to the minutes from the previous meeting, there is \$3,910 in their fund. The cost to repair the tiles and the bridge of the fountain should not cost more than \$14,000 per the estimate provided by the artist. Member Gustin recommends that they look over the plan of repair and pick out some areas that they think will fit the available money, and ask the artist to look at it and see what he can do. Chairman Bryan suggested that maybe they ask the artist

to attend a future meeting to go over costs and see if he will take payments over 2 years.
