Question –

Page 19, Section B) Cost Proposals (Binder 2)

This lists (1) Original, Hard copy of the Cost Proposal. I want to confirm that there is only one Original Copy to be submitted for the Cost Proposal and NO hard copies? I see on the page before; the Technical Response requires 1 Original and 3 Hard copies.

Answers –

Only one hard copy of the cost proposal is to be submitted. No other copies need to be submitted.

Page 24, Section C. 4. State of New Mexico Business License

States if awarded, Offeror must provide a copy of valid City of Truth or Consequences Business License as well as a State of New Mexico Business License. Does the offeror need to have a Truth or Consequences license or will the State license and Veteran Certificate suffice?

Answer – As per Truth or Consequences City Ordinance 727, Section 7-32 “Any person proposing to engage in business within the municipal limits of Truth or Consequences, New Mexico, shall submit an application to do business within the City of Truth or Consequences and pay a business registration fee.”

(Code 1962, § 5-1-2)

The offeror will be required to obtain a valid Truth or Consequences Business License along with a New Mexico State Business License if a contract is awarded.

Question –

Will the City be looking to go through a purchasing cooperative, such as CES, or is this a direct to Offeror contract only?

Answers – This is a direct to Offeror contract only.
