- A Commercial Event Application: is for the use of a portion of a park for events that are expected to draw a large number of people due to their nature, interest, location, promotion, or any combination of similar influences that are to be held in a City Park. This includes but not necessarily limited to vendors, festivals, solicitations, or performances. Vendors selling goods on public property must have a city business license. All Commercial Event Applications must be approved by the City Manager.
- The cleaning/damage deposit will be deposited in a city account, and will be refunded if the facility is cleaned after the event and the facility has been returned to prior condition to the satisfaction of the city. If the amount of deposit is greater than the cost of cleaning or damage, the difference will be refunded. If the cost of cleaning or damage is greater than the amount of deposit the renter will be charged accordingly.
- Note: The City Manager or his/her designee may impose other use regulations as he/she may deem necessary as long as those regulations do not subvert the intent of this policy. Any complaints for public affray may affect your ability to use City Parks.
