No public comments were made.

Discussion: Crack Sealing/Runway

Andrew Denham updated the Crack Sealing project. A change was made from the pilot community hiring and paying for Crack sealing the runway and the North apron this month (May 2023). Twisp with the help of the engineering firm has applied for a \$40,000. Grant from Washington State DOT Aviation to crack seal and stripe the runway and north apron. Grant deadline is 7/1/23 with grant recipient announcements expected in September of 2023. If the grant request is funded, Denham stated that work will be completed this Fall – 2023.

Discussion: Snow Blower Repair

No new information was presented by TAAB or Twisp Public Works. Efforts will continue to have a qualified mechanic share their opinion regarding the viability of utilizing the snowblower at the airport.

Discussion: Capital Facility Plan

CFP discussion was limited and no changes were recommended at this meeting.
