

Public Affairs Committee

October 21st, 2020

4:00 PM

Members present, Councilors: Woodruff, Glaser, Rennwald.

Others present: City Administrator, Walker
Finance Director, Pietila
City Clerk, Nordean

New Business:

1. Community Center Request- An event would need to limit the number of vendors and people within the building. Will need the capacity limit of the Community Center, and what would be allowed for the request.

If the City open the Community Center for one, it will have to be open for everyone. The City understands the need, but with COVID cases increasing, how can we safely and effectively open the building. The City will need to research if other community centers are open, and what rules/regulations/protocols would be necessary for re-opening.

Motion by Glaser – Not ready to open the Community Center. Second by Woodruff. Carried unanimously.

Adjourn 4:45 p.m.
