September 30, 2019

Regular Meeting of the City of Two Harbors Public Works Committee held on September 30, 2019, in the conference room at City Hall.

Members present, Councilors: Craig Jussila, Miles Woodruff.

Others Present: City Administrator, Walker
Finance Director, Pietila
Public Works Director, Mark Jones
Jim Gilbert
Katie Groeneveld

Unfinished Business

1. Stormwater mgmt.- The committee discussed a proposal from LCWSD regarding a storm water management plan. The committee discussed the benefit of the plan and the cost increase from the original proposal. The committee wanted to know if there were mandates from the proposal, or if we can apply the recommendations at our discretion. Staff acknowledged there would be a benefit to pursue the plan. The committee asked the administrator to reach out to SWDC about the City contribution of $10,000. Motion Woodruff 2nd Jussila. Carried.

2. East Bath House- Staff will begin demo of the east bathhouse starting October 7th. PW and campground manager will reach out to company regarding poured concrete option. They are also working on updating some ADA sites. They hope to have the bid specs to the council by the 2nd meeting in November to go out for bids.

New Business

1. The PW director gave an update on the projects. They have been busy finishing concrete and paving. They will begin hauling salt/sand soon. They are also working on a policy for private digs.

2. The PW director gave an update on the 3rd Ave. sidewalks. They have talked with all of the property owners and Mark will talk with Steve O. about a temporary access easements. They hope to start this project after the campground bathroom demo.

3. The new grader is on order, and the new dump truck should be arriving soon.

4. PW superintendent to contact Leon to discuss the PW assistance for proposed work. He said he would see what they can help with.

5. This item was referred to Trees and Trails Committee for additional input.

Adjourn 5:00 PM.
