

Wetland Delineators

Please Note: Inclusion on this list is not an endorsement or recommendation by Lake County, nor does Lake County warrant or certify the qualifications of the listed consultants.

The below list includes all consultants who have indicated that they are available for hire by the public in our region or have requested to be included on this list. You may wish to contact more than one consultant to obtain a comparison of costs and qualifications for services. You may also wish to consult other sources of information such as telephone business listings, Internet search engines, etc.

If you wish to add or remove your business from the list, contact the Lake County Environmental Services Department at 218-834-8325.
