

NOTICE

Beginning on Monday, September 11th, the sidewalks and curbs on the east side of the front of the Van Wert County Courthouse will be replaced. For approximately 2 weeks, the front doors will be intermittently closed for the safety of residents and the efficiency of the project. The back door of the Courthouse will be unlocked during regular business hours to accommodate for this. There are several steps at the back entrance. If you cannot use the steps to get to the elevator, please call the department you are seeking, and someone will come downstairs to assist you. Thank you for your cooperation and patience as we make these improvements to our treasured County Courthouse!
