

Welcome to Ohio Recovery Center

Ohio Recovery Center (ORC), located in the historical town of Van Wert, is the newest addition to the ARK Behavioral Health network. Our mission is to help individuals from across the country who are seeking treatment for drug and alcohol abuse.

Our compassionate and dedicated clinical team provides evidence-based care tailored to each patient's individual needs. The facility is built for both inpatient detox and residential programs and services.

Admissions & Insurance

We work with major insurance carriers to provide you with effective addiction treatment regardless of your financial situation. Our trusted treatment specialists are trained to understand your situation and recovery goals.

Alumni Support Program

During and after a patient's recovery journey, our ORC community, staff, residents and alumni can help you reconnect and build a supportive network. Find a sponsor, join a group and get involved!
