8 ulation, collection, and disposal of wastes and solid wastes,
9 it is declared to be the public policy of Wasco County to
regulate accumulation, collection, and disposal of wastes and

to meet future demands.

2 duties and obligations of a franchise holder under
3 provisions of this Ordinance and applicable Federal,
4 State, and local laws and rules or regulations. In
5 determining the amount of bond to be required, the
County Court shall give due consideration to the size
of the site, the method of disposal proposed, the
population to be served, adjacent or nearby land uses,
and the potential danger of failure of service.

- 6 (4) If the applicant is providing disposal service on the
7 effective date of this Ordinance and files his application
8 within 30 days thereafter, he may continue service until the
final decision of the County Court on his application.

9 103.050 ISSUANCE OF DISPOSAL FRANCHISES

10 Applications for disposal franchises shall be reviewed by the
11 Administrator, the Wasco County Health Officer, and the Wasco
12 County Planning Commission. The Administrator, Wasco County
13 Health Department, and the Wasco County Planning Commission shall
make such investigation as they deem appropriate. Written notice
shall be given by the Administrator to any person who holds a
disposal franchise for service to all or part of the area that
reasonably would be served under the application.

14 Upon the basis of the application, evidence submitted, and
15 results of any investigation, the Committee shall make a finding
16 on the qualifications of the applicant; whether or not additional
17 service, land, equipment and/or facilities should be provided
18 and what conditions of service should be imposed, including but
19 not limited to whether the site should be opened to the public
20 and under what conditions; whether or not certain types of
wastes, solid wastes, or hazardous wastes should be excluded from
the site or should be required to be accepted at the site;
whether or not the site is economically feasible; whether or not
the site may be integrated with existing private or county-owned
or operated sites; and whether or not the site complies with all
rules and regulations adopted pursuant to ORS Chapter 459 of
this Ordinance.

21 On the basis of its findings, the Committee shall recommend to
22 the County Court whether or not the application should be
23 granted, be denied, or be modified. The County Court shall
issue an order granting, denying, or amending the application.

24 103.060 APPEAL ON A FRANCHISE

25 If the Order of the County Court is adverse to the applicant
26 or to the holder of an existing franchise, it shall not become
effective until 30 days after the date of said Order unless

1 the County Court finds that there is an immediate and serious
2 danger to the public or that a health hazard or public nuisance
would be created by a delay.

3 The applicant or a franchise holder may request a public hearing
4 before the County Court upon the County Court's Order by filing
5 a written request for the hearing with the County Court within
6 30 days after the date of said Order. On the filing of such
7 request for hearing the County Court shall set a time and place
8 for a public hearing upon its Order, which hearing shall not be
9 more than 30 days from the date of said request for hearing.
The applicant or franchise holder may submit relevant evidence
to the County Court upon the County Court's Order. Other
interested persons or affected public or private agencies may
appear and offer oral or written testimony. The County Court
may, following the public hearing, affirm, modify, or rescind its
prior Order.

10 Subject to provisions of Section 108.500, the determination of
11 the County Court after conclusion of said public hearing shall
be final.

12 If the County Court makes a final Order rejecting all or part of
13 the application for a franchise, the applicant may not submit
14 another application for the same service area or a portion
15 thereof or the same disposal site for a period of six months
unless the County Court finds that the public interest requires
reconsideration within a shorter period of time.

16 103.070 EXCLUSIVE OR JOINT SERVICE UNDER A FRANCHISE

17 If the County Court finds upon recommendation of the Committee
18 that an applicant for a collection franchise cannot provide
19 service to a single customer, a group or type of customers, or
20 for a particular type or unusually large quantity of solid
21 waste, it may issue a franchise for joint service with another
person who can provide that service, provided, however, that
in all cases in which the County Court finds that the applicant
is able to provide adequate service within the defined service
area it shall issue an exclusive franchise for that area to
the applicant.

22 If the holder of a franchise is unable to provide service for
23 particular types or unusually large quantities of solid wastes,
24 the County Court may issue a temporary or permanent franchise
25 to another person for the limited purpose of providing service
26 to the customer or customers having such particular type or
unusually large quantity of solid wastes.

If the County Court finds upon recommendation of the Admin-
istrator that the need for service justifies action before a

1 complete investigation and final determination can be made it
2 may Order the Administrator to issue a temporary certificate
3 valid for a stated period not to exceed six months entitling
4 a person to serve a defined service area or customers.

5
6 103.080 TRANSFER OF FRANCHISES

7 A franchise holder may transfer his franchise or a portion
8 thereof to other persons only upon written notice to and
9 approval by the County Court.

10 Upon a recommendation and finding of the Committee the County
11 Court shall approve the transfer if it finds that the trans-
12 feree meets all applicable requirements met by the original
13 franchise holder. The County Court shall approve or disapprove
14 any application for transfer of a franchise within 30 days of
15 receipt of notice by the County Court unless the County Court
16 finds there is a substantial question of public health or
17 safety involved which requires additional time for investi-
18 gation and decision.

19 Upon recommendation of the Committee the County Court may permit
20 a franchise to be pledged as security for purchase of land,
21 equipment, or facilities needed to provide service or to finance
22 purchase of a business providing service under this Ordinance.
23 The County Court may attach whatever conditions it deems appro-
24 priate to guarantee maintenance of service.

25 103.090 RESPONSIBILITIES OF FRANCHISE HOLDERS

26 (1) The holder of a collection franchise:

(a) Shall provide required service, equipment, and facil-
ities, but not less than service, equipment, and
facilities commensurate with existing service provided
within the service area defined in the franchise,
within one month from the date of issuance of the
franchise unless the County Court extends the time
upon showing of reasonable grounds by the applicant.
In the event an area is not receiving service on the
date of the application for a franchise covering
such area, the County Court may order that service
be provided at such time as it finds to be reasonable.

(b) Shall not voluntarily discontinue service to the
service area or any substantial portion thereof or
any customer without giving 90 days written notice
of the proposed discontinuance of service to the
Administrator and to his customers and shall not
discontinue the service without receiving the approval
of the County Court. Nothing in this section shall

1 prohibit a franchisee from refusing to provide service
2 to a customer if the customer refuses to pay for the
3 service in accordance with rates established pursuant
4 to this Ordinance or for other reasons as may be
5 established by the County Court by regulation, pro-
6 vided, however, in no event shall the holder of any
7 franchise terminate such service without seven days
8 prior written notice notifying his customers and the
9 Administrator of the holder's intention to terminate
10 service. A franchise holder who has discontinued
11 service on the basis of a refusal of a customer to pay
12 for such service may demand that the customer pay in
13 advance a reasonable deposit to guarantee payment for
14 future services before reinstating such service.

15 Nothing in this subsection shall apply to any Order for
16 a change, restriction, or termination of service by
17 any public agency, public body, or Court having
18 jurisdiction.

19 (c) May contract with another person to provide service
20 within a service area after giving written notice
21 to and obtaining approval of the Administrator. The
22 Administrator shall approve the contract unless he
23 finds that the quality or extent of service would be
24 jeopardized.

25 (d) May refuse service to a customer upon reasonable
26 grounds when approved by the Administrator upon a
27 finding that service at the particular location would
28 jeopardize the safety of the driver of the collection
29 vehicle or the motoring public, that the customer
30 has not provided reasonable access to the pickup
31 point for the containers storing solid wastes without
32 hazard or risk to the person providing service, or
33 that weather conditions prevent service to the par-
34 ticular customer.

35 (2) The holder of a disposal franchise:

36 (a) Shall not voluntarily discontinue service without
37 giving at least 90 days written notice of the
38 proposed discontinuance of service to the County Court
39 and to any franchisee using his disposal site and
40 further receiving the approval of the County Court
41 prior to discontinuing said service. This paragraph
42 shall not apply to any Order for closure or restriction
43 of use by any public agency, public body, or Court
44 having jurisdiction.

- 1 (b) May contract with another person to operate the disposal site after giving written notice to and obtaining
2 the approval of the Administrator. The Administrator
3 shall approve the contract unless he finds that the
4 quality or extent of service would be jeopardized.
In making his determination, the Administrator shall
consult with the Wasco County Health Department.
- 5 (c) May refuse disposal service to any customer if the
6 customer refuses to pay for the service in accordance
7 with the rates established pursuant to this Ordinance.
8 A franchise holder who has discontinued service for
9 refusal of a customer to pay for such service may
demand that the customer provide a reasonable deposit
prior to reinstating such service.

10 103.100 ENFORCEMENT OF FRANCHISE PROVISIONS

11 The Administrator shall upon reasonable cause make an investigation to determine if there is sufficient reason and cause
12 to suspend, modify, revoke, or refuse to renew a franchise as
provided in this section. If in the opinion of the Administrator,
13 there is sufficient evidence to constitute a
violation of this Ordinance or ORS Chapter 459, or the rules
14 or regulations promulgated under either, the Administrator
shall notify the holder of the franchise in writing of the
15 alleged violation, delineate in said notice the steps that must
be taken to cure the violation and inform the holder that he
16 must comply with the requirements set forth in said notice.
The Administrator shall notify the Committee of said violation.
17 Upon a finding that a violation exists and that the franchisee
is unable or refuses to cure the violation, the Committee shall
18 make its recommendation to the County Court that the franchise
be suspended, modified, or revoked or that it not be renewed.

19 103.110 SUSPENSION, MODIFICATION, REVOCATION, OR REFUSAL TO RENEW
20 A FRANCHISE

- 21 (1) Upon recommendation by the Committee or upon its own motion
the County Court may suspend, modify, revoke, or refuse
22 to renew a franchise upon finding that the holder thereof
has:
- 23 (a) Willfully violated this Ordinance or ORS Chapter 459,
or the rules or regulations promulgated thereunder; or
- 24 (b) Materially misrepresented facts or information given
25 in the application for the franchise; or
- 26

1 (c) Willfully refused to provide adequate service in a
2 defined service area or at the franchised disposal
3 site after written notification and a reasonable
4 opportunity to do so; or

5 (d) Misrepresented the gross receipts from the franchised
6 service area or, if required to report on such
7 receipts, the gross receipts from operation of a
8 franchised disposal site.

9 (2) In lieu of immediate suspension, modification, revocation,
10 or refusal to renew a franchise, the County Court may order
11 compliance and make the suspension, modification, revoc-
12 ation, or refusal to renew a franchise contingent upon
13 compliance with the Order within the period of time stated
14 in said Order.

15 (3) If the County Court suspends, modifies, revokes, or refuses
16 to renew the franchise, the action shall not become
17 effective until 30 days after the date of the order unless
18 the County Court finds that there is a serious and immediate
19 danger to the public health or that a public nuisance would
20 be created. The holder of a franchise may request a public
21 hearing before the County Court upon the County Court's
22 Order by filing a written request for such hearing with the
23 County Court within 30 days after date of said Order. Upon
24 filing of said request for hearing, the County Court shall
25 set a time and place for a public hearing upon its Order,
26 which hearing shall be no more than 30 days from the date
of filing of said request for hearing. The franchise
holder and other interested persons or affected public
agencies may submit oral or written evidence to the
County Court relevant to the County Court's Order. The
County Court may, following the public hearing, affirm,
amend, or rescind its prior Order. Subject to provisions
of Section 108.500, the determination of the County
Court after conclusion of said public hearing shall be
final.

103.120 PREVENTING INTERRUPTION OF SERVICE

21 The holder of any franchise agrees, and it is a condition of
22 his obtaining and holding the franchise that whenever the
23 County Court finds that the failure of service would result
24 in creation of health hazards or public or private nuisance,
25 the County Court, after reasonable notice, but not less than
26 24 hours notice to the franchisee and a public hearing if the
franchisee requests such hearing, shall have the right to
authorize another franchise holder or other person to provide
service or to use and operate the land, facilities, or
equipment of the franchise holder through leasing to provide

1 emergency service in the event of a serious interruption of
2 service to all or to a class or group of customers for so long
as such interruption continues.

3 103.130 TERM OF FRANCHISES

4 Franchises shall be renewable unless grounds exist for refusal
5 to renew pursuant to Section 103.010 of this Ordinance.

6 The term for collection franchises shall be ten years unless
7 the County Court finds that a longer or shorter term is
8 required in the public interest.

9 The term for disposal franchises shall be determined by the
County Court upon the basis of the recommendation of the
Committee based on site longevity, population to be served,
and probable use.

10 103.150 FRANCHISE FEES

11 (1) The County Court shall collect in the manner and at the
12 time provided in this section from the holder of:

13 (a) Any collection franchise an annual fee of \$100.00
14 per collection vehicle used in providing collection
service on July 1 of the year and payable to Wasco
County on July 1 of each year.

15 (b) Any disposal franchisee, a franchise fee of 4% of its
16 gross revenues from garbage disposal, payable on a
17 calendar quarter basis. This fee may be paid monthly
by the 20th of the month at the option of the
franchisee.

18 (2) Every collection franchise holder shall maintain books
19 and records disclosing the gross receipts from his service
20 area, which books and records shall be open at reasonable
21 times and places for audit by authorized personnel of Wasco
22 County. When reasonably required by the County Court the
holder of a disposal site franchise shall maintain books
and records disclosing gross receipts at the disposal
site, which books and records shall likewise be available
for audit.

23 (3) Any disposal franchisee failing to pay the franchise
24 fee by the time specified in Subsection 1(b) of this
25 Section is delinquent and shall pay a penalty fee in
26 addition to the required franchise fee. The penalty
fee shall be \$100.00 for each day the payment is
delinquent.

- (2) In determining a surcharge, the County Court shall give due consideration to any costs the County may incur; out of region disposal fees; and other factors which may, in the opinion of the County Court, justify the establishment or adjustment of a surcharge.
- (3) Surcharges, shall be the ultimate responsibility of the person contracting or agreeing with the disposal franchisee to dispose of out of region solid waste.
- (4) For purposes of Section 103.150 (1) (b) surcharges shall not be considered part of the gross revenues of a disposal franchisee.
- (5) Any person failing to pay the surcharge by the date specified in Subsection (1) (a) of this Section is delinquent and shall pay a penalty fee in addition to the required surcharge. The penalty fee shall be \$100.00 for each day the payment is delinquent.

103.160 USE OF FRANCHISE FEES AND SURCHARGES

Fees collected pursuant to Section 103.150 and 103.155 of this Ordinance shall be paid into the general fund of the County, unless otherwise directed by the County Court. The Committee may make recommendations to the County Court on a budget for the use of such funds to carry out the provisions of Section 101.020 of this Ordinance.

CHAPTER 104 REMEDIES

104.010 AUTHORITY TO ENTER PREMISES

The County Health personnel, sanitarians or other authorized County personnel may enter upon the premises of any person at reasonable times to determine compliance with and to enforce Wasco County Solid Waste Collection and Disposal Ordinance.

104.020 INVESTIGATION TO DETERMINE WHETHER PUBLIC NUISANCE EXISTS;
NOTICE TO ABATE; PROCEEDING TO PREVENT EXISTENCE OF
NUISANCE

- (1) To determine whether there is reasonable cause to believe that a public nuisance exists on private property outside the limits of any city, the County Court, or whomever it designates, may conduct an investigation for that purpose. In conducting such an investigation, the Court, or whomever it designates, may administer oaths, subpoena and require the attendance of witnesses at public hearings, require the production of relevant documents, and take the testimony of any person.
- (2) Whenever it appears that there is reasonable cause to believe that a public nuisance exists, the Court may order that a notice be issued and served upon the owner, tenant, occupant or person in possession of the premises where the nuisance is alleged to exist, requiring the person to appear before the board at the time and place stated in the notice to show cause why a nuisance should not be declared to be existing on the premises.
- (3) At the time and place described in the notice, the Court shall conduct a public hearing on the question of the existence of the alleged nuisance. If the board finds that a nuisance exists, it shall declare the existence of a nuisance by order entered in its journal, and may order a suit to be brought in the name of the County to institute injunction, abatement or any other proceeding provided by law to prevent temporarily or permanently the existence of the nuisance.

104.030 WHEN COURT MAY ABATE NUISANCE; LIABILITY; COSTS

- (1) In lieu of and not in addition to the remedies provided in Section 104.020 of this Ordinance, if after a hearing held in accordance with that section, the Court declares the existence of a nuisance by Order entered in its journal, and if the owner or occupant of the property fails to abate the nuisance within 30 days after the entry of the Order, the Court may cause the nuisance to be abated. If

- 1 (2) Upon recommendation of the Committee the County Court may
2 establish uniform rates throughout the County or may
3 establish rates within zones based upon the length of
4 haul or other factors which may, in the opinion of the
5 County Court, justify establishment of rate differentials.
- 6 (3) When establishing rates for disposal sites, in addition
7 to other factors specified in this section, the County
8 Court shall consider the type of site, the cost of
9 operation of such site, whether or not the site is open
10 to the public, the type of waste to be disposed of and
11 cost of compliance with Federal, State, and local laws
12 and regulations, together with such other factors which
13 may in the opinion of the County Court affect the rates
14 to be charged. The County Court may establish uniform
15 rates for all disposal sites or may establish different
16 rates based upon the factors specified in this section.
- 17 (4) In determination of rates or proposed rate changes, the
18 Committee and the County Court shall give due consideration
19 to: the investment in facilities and equipment; the
20 services of management; local wage scales; the concentration
21 of customers in the area serviced; methods of storage;
22 collection; transportation and disposal; the length of
23 haul to disposal facilities; the cost of disposal; a
24 reasonable return to the owners of the business; the future
25 service demands of the area or site which must be antici-
26 pated in equipment, facilities, personnel, or land; extra
charges for special pickups or pickups on days when service
is not normally provided on a route; extra charges when the
type or character of solid waste, including but not limited
to wastes with peculiarly offensive odors, requires special
handling or service; and extra charges for providing
janitorial services on the premises where service is
provided.
- (5) The County Court may require an investigation by the Commit-
tee of any proposed rate or rate increase or decrease. For
the purpose of making this investigation, the Committee,
in cooperation with the Administrator, is authorized to hold
public hearings and to take and receive testimony relevant
to the considerations to be made by the County Court in
establishing a rate or in allowing or denying the rate
increases or decreases under this Ordinance. Upon comple-
tion of its investigation the Committee shall make a report
of the public hearing and shall make recommendations to the
County Court regarding the proposed rate.
- (6) In establishing rates or in considering rate increases or
decreases, the County Court must find that the rates will
be just, fair, reasonable, and sufficient to provide proper

1 service to the public. The County Court may consider the
2 rates charged by other persons performing the same or
similar service in the same or other areas.

- 3 (7) In the event no rate has been established for a particular
4 type of service, the Administrator may establish an interim
5 rate until the County Court makes a final determination on
6 the rate for that type of service. In establishing such a
rate, the Administrator shall give due consideration to all
of the factors established as guidelines for the Committee
and County Court in this section.

7 105.040 RATE PREFERENCES PROHIBITED

- 8 (1) No franchise holder subject to rate regulation under this
9 Ordinance shall give any rate preference to any person,
locality, or type of solid waste stored, collected, trans-
ported, or disposed.
- 10 (2) Nothing in this section is intended to prevent:
- 11 (a) The reasonable establishment of uniform classes or
12 rates based upon length of haul, type of solid waste
stored, collected, transported, or disposed of or
13 the number, type, and location of customers served or
upon other factors as long as such rates are reasonably
14 based upon costs of the particular service and are
approved by the County Court in same manner as other
15 rates.
- 16 (b) Any person from volunteering service at reduced cost
17 for a charitable, community, civic, or benevolent
purpose.

18 105.050 RESPONSIBILITY FOR PAYMENT OF CHARGES FOR SERVICE
