11 appropriate. Written notice shall be given by the Administrator
12 to any person who holds a disposal franchise or license for
13 service to all or part of the area that reasonably would be
14 served under the application.

15 Upon the basis of the application, evidence submitted, and
16 results of any investigation, the Committee shall make a finding
17 on the qualifications of the applicant; whether or not additional
18 service, land, equipment and/or facilities should be provided
19 and what conditions of service should be imposed, including but
20 not limited to whether the site should be opened to the public
21 and under what conditions; whether or not certain types of
22 wastes, solid wastes, or hazardous wastes should be excluded from
23 the site or should be required to be accepted at the site;
24 whether or not the site is economically feasible; whether or not
25 the site may be integrated with existing private or county-owned
26 or operated sites; and whether or not the site complies with all
rules and regulations adopted pursuant to ORS Chapter 459 of
this Ordinance.

On the basis of its findings, the Committee shall recommend to
the County Court whether or not the application should be
granted, be denied, or be modified. The County Court shall
issue an order granting, denying, or amending the application.
The Committee's recommendation regarding an application for a
solid waste disposal license shall include a proposed license
agreement and any order of the County Court granting an
application for a disposal license shall authorize execution by
the County of such license agreement which license agreement
shall constitute a legally binding contract between the County
and the licensee and shall govern the terms and conditions of
the disposal site operations, including the setting and
collection of rates.

unless the County Court finds that there is an immediate and serious danger to the public or that a health hazard or public nuisance would be created by a delay.

The applicant or a franchisee or licensee may request a public hearing before the County Court upon the County Court's Order by filing a written request for the hearing with the County Court within 30 days after the date of said Order. On the filing of such request for hearing the County Court shall set a time and place for a public hearing upon its Order, which hearing shall not be more than 30 days from the date of said request for hearing. The applicant or franchisee or licensee may submit relevant evidence to the County Court upon the County Court's Order. Other interested persons or affected public or private agencies may appear and offer oral or written testimony. The County Court may, following the public hearing, affirm, modify, or rescind its prior Order.

Subject to provisions of Section 108.500, the determination of the County Court after conclusion of said public hearing shall be final.

If the County Court makes a final Order rejecting all or part of the application for a franchise, the applicant may not submit another application for the same service area or a portion thereof or the same disposal site for a period of six months unless the County Court finds that the public interest requires reconsideration within a shorter period of time.

103.070 EXCLUSIVE OR JOINT SERVICE UNDER A COLLECTION FRANCHISE

If the County Court finds upon recommendation of the Committee that an applicant for a collection franchise cannot provide service to a single customer, a group or type of customers, or for a particular type or unusually large quantity of solid waste, it may issue a franchise for joint service with another person who can provide that service, provided, however, that in all cases in which the County Court finds that the applicant is able to provide adequate service within the defined service area it shall issue an exclusive franchise for that area to the applicant.

If the holder of a franchise is unable to provide service for particular types or unusually large quantities of solid wastes, the County Court may issue a temporary or permanent franchise to another person for the limited purpose of providing service to the customer or customers having such particular type or unusually large quantity of solid wastes.

If the County Court finds upon recommendation of the Administrator that the need for service justifies action before a

2 may Order the Administrator to issue a temporary certificate
3 valid for a stated period not to exceed six months entitling
4 a person to serve a defined service area or customers.

3 103.080 TRANSFER OF FRANCHISES

4 A franchisee or licensee may transfer his franchise or license
5 or a portion thereof to other persons only upon written notice
6 to and approval by the County Court.

6 Upon a recommendation and finding of the Committee the County
7 Court shall approve the transfer if it finds that the trans-
8 feree meets all applicable requirements met by the original
9 franchisee or licensee. The County Court shall approve or
10 disapprove any application for transfer of a franchise or
11 license within 30 days of receipt of notice by the
12 County Court unless the County Court finds there is a
13 substantial question of public health or safety involved which
14 requires additional time for investigation and decision.

11 Upon recommendation of the Committee the County Court may permit
12 a franchise or license to be pledged as security for purchase of
13 land, equipment, or facilities needed to provide service or to
14 finance purchase of a business providing service under this
15 Ordinance. The County Court may attach whatever conditions it
16 deems appropriate to guarantee maintenance of service.

15 103.090 RESPONSIBILITIES OF FRANCHISEES OR LICENSEES

16 (1) The holder of a collection franchise:

17 (a) Shall provide required service, equipment, and facil-
18 ities, but not less than service, equipment, and
19 facilities commensurate with existing service provided
20 within the service area defined in the franchise,
21 within one month from the date of issuance of the
22 franchise unless the County Court extends the time
23 upon showing of reasonable grounds by the applicant.
24 In the event an area is not receiving service on the
25 date of the application for a franchise covering
26 such area, the County Court may order that service
be provided at such time as it finds to be reasonable.

23 (b) Shall not voluntarily discontinue service to the
24 service area or any substantial portion thereof or
25 any customer without giving 90 days written notice
26 of the proposed discontinuance of service to the
Administrator and to his customers and shall not
discontinue the service without receiving the approval
of the County Court. Nothing in this section shall

prohibit a franchisee from refusing to provide service to a customer if the customer refuses to pay for the service in accordance with rates established pursuant to this Ordinance or for other reasons as may be established by the County Court by regulation, provided, however, in no event shall the holder of any franchise terminate such service without seven days prior written notice notifying his customers and the Administrator of the holder's intention to terminate service. A franchise holder who has discontinued service on the basis of a refusal of a customer to pay for such service may demand that the customer pay in advance a reasonable deposit to guarantee payment for future services before reinstating such service.

Nothing in this subsection shall apply to any Order for a change, restriction, or termination of service by any public agency, public body, or Court having jurisdiction.

- (c) May contract with another person to provide service within a service area after giving written notice to and obtaining approval of the Administrator. The Administrator shall approve the contract unless he finds that the quality or extent of service would be jeopardized.
- (d) May refuse service to a customer upon reasonable grounds when approved by the Administrator upon a finding that service at the particular location would jeopardize the safety of the driver of the collection vehicle or the motoring public, that the customer has not provided reasonable access to the pickup point for the containers storing solid wastes without hazard or risk to the person providing service, or that weather conditions prevent service to the particular customer.

(2) The holder of a disposal franchise or license:

- (a) Shall not voluntarily discontinue service without giving at least 90 days written notice of the proposed discontinuance of service to the County Court and to any franchisee using his disposal site and further receiving the approval of the County Court prior to discontinuing said service. This paragraph shall not apply to any Order for closure or restriction of use by any public agency, public body, or Court having jurisdiction.

The Administrator shall approve the contract unless he finds that the quality or extent of service would be jeopardized. In making his determination, the Administrator shall consult with the Wasco County Health Department.

(c) May refuse disposal service to any customer if the customer refuses to pay for the service in accordance with the rates established pursuant to this Ordinance or any approved license agreement. A franchise holder who has discontinued service for refusal of a customer to pay for such service may demand that the customer provide a reasonable deposit in advance to guarantee payment for future service prior to reinstating such service.

(d) A disposal site licensee shall be governed by the terms and conditions established in the underlying license agreement.

103.100 ENFORCEMENT OF FRANCHISE PROVISIONS

The Administrator shall upon reasonable cause make an investigation to determine if there is sufficient reason and cause to suspend, modify, revoke, or refuse to renew a franchise as provided in this section. If in the opinion of the Administrator, there is sufficient evidence to constitute a violation of this Ordinance or ORS Chapter 459, or the rules or regulations promulgated under either, the Administrator shall notify the holder of the franchise in writing of the alleged violation, delineate in said notice the steps that must be taken to cure the violation and inform the holder that he must comply with the requirements set forth in said notice. The Administrator shall notify the Committee of said violation. Upon a finding that a violation exists and that the franchisee is unable or refuses to cure the violation, the Committee shall make its recommendation to the County Court that the franchise be suspended, modified, or revoked or that it not be renewed.

103.110 SUSPENSION, MODIFICATION, REVOCATION, OR REFUSAL TO RENEW A FRANCHISE

(1) Suspension, modification, revocation or refusal to renew a disposal license shall be governed by the terms and conditions established in the underlying license agreement. Suspension, modification, revocation or refusal to renew a collection or disposal franchise shall be governed by this Section.

- (a) Willfully violated this Ordinance or ORS Chapter 459, or the rules or regulations promulgated thereunder; or
- (b) Materially misrepresented facts or information given in the application for the franchise; or
- (c) Willfully refused to provide adequate service in a defined service area or at the franchised disposal site after written notification and a reasonable opportunity to do so; or
- (d) Misrepresented the gross receipts from the franchised service area or, if required to report on such receipts, the gross receipts from operation of a franchised disposal site.

(3) In lieu of immediate suspension, modification, revocation, or refusal to renew a franchise, the County Court may order compliance and make the suspension, modification, revocation, or refusal to renew a franchise contingent upon compliance with the Order within the period of time stated in said Order.

(4) If the County Court suspends, modifies, revokes, or refuses to renew the franchise, the action shall not become effective until 30 days after the date of the order unless the County Court finds that there is a serious and immediate danger to the public health or that a public nuisance would be created. The holder of a franchise may request a public hearing before the County Court upon the County Court's Order by filing a written request for such hearing with the County Court within 30 days after date of said Order. Upon filing of said request for hearing, the County Court shall set a time and place for a public hearing upon its Order, which hearing shall be no more than 30 days from the date of filing of said request for hearing. The franchise holder and other interested persons or affected public agencies may submit oral or written evidence to the County Court relevant to the County Court's Order. The County Court may, following the public hearing, affirm, amend, or rescind its prior Order. Subject to provisions of Section 108.500, the determination of the County Court after conclusion of said public hearing shall be final.

Unless otherwise specifically negotiated by licensee and the County and stated in writing in the license agreement, the term of a disposal license shall be perpetual and the disposal license shall grant the licensee the right to operate the approved disposal site for so long as the licensee maintains all permits, approvals and authorizations required under state law. The term of a disposal license and the right to operate thereunder shall be separate and distinct from any capacity or length of use guarantee that may be set forth in a license agreement.

103.120 PREVENTING INTERRUPTION OF SERVICE

The holder of any franchise agrees, and it is a condition of his obtaining and holding the franchise that whenever the County Court finds that the failure of service would result in creation of health hazards or public or private nuisance, the County Court, after reasonable notice, but not less than 24 hours notice to the franchisee and a public hearing if the franchisee requests such hearing, shall have the right to authorize another franchise holder or other person to provide service or to use and operate the land, facilities, or equipment of the franchise holder through leasing to provide emergency service in the event of a serious interruption of service to all or to a class or group of customers for so long as such interruption continues.

103.130 TERM OF FRANCHISES

Franchises shall be renewable unless grounds exist for refusal to renew pursuant to Section 103.010 of this Ordinance.

The term for collection franchises shall be ten years unless the County Court finds that a longer or shorter term is required in the public interest.

The term for disposal franchises shall be determined by the County Court upon the basis of the recommendation of the Committee based on site longevity, population to be served, and probable use.

103.150 FRANCHISE FEES

(1) The County Court shall collect in the manner and at the time provided in this section from the holder of:

(b) Any disposal franchisee, a franchise fee of 4% of its gross revenues from garbage disposal, payable monthly by the 20th of the month.

(2) Every collection franchise holder shall maintain books and records disclosing the gross receipts from his service area, which books and records shall be open at reasonable times and places for audit by authorized personnel of Wasco County. When reasonably required by the County Court the holder of a disposal site franchise shall maintain books and records disclosing gross receipts at the disposal site, which books and records shall likewise be available for audit.

(3) Any disposal franchisee failing to pay the franchise fee by the time specified in Subsection 1(b) of this Section is delinquent and shall pay a penalty fee in addition to the required franchise fee. The penalty fee shall be \$100.00 for each day the payment is delinquent.

(4) Where the County Court has authorized a disposal site to operate under license instead of franchise, the licensee shall pay license and host fees and the licensee shall set disposal rates according to the terms of the underlying license agreement. Similarly, the obligation to maintain books and records, the County's inspection of the same and the County's rights and remedies pertaining to failure to pay any fees by licensee shall be governed by the terms of the underlying license agreement.

103.160 USE OF FRANCHISE FEES AND HOST FEES

Fees collected pursuant to Section 103.150 and 103.155 of this Ordinance shall be paid into the general fund of the County, unless otherwise directed by the County Court. The Committee may make recommendations to the County Court on a budget for the use of such funds to carry out the provisions of Section 101.020 of this Ordinance.

- (1) To determine whether there is reasonable cause to believe that a public nuisance exists on private property outside the limits of any city, the County Court, or whomever it designates, may conduct an investigation for that purpose. In conducting such an investigation, the Court, or whomever it designates, may administer oaths, subpoena and require the attendance of witnesses at public hearings, require the production of relevant documents, and take the testimony of any person.
- (2) Whenever it appears that there is reasonable cause to believe that a public nuisance exists, the Court may order that a notice be issued and served upon the owner, tenant, occupant or person in possession of the premises where the nuisance is alleged to exist, requiring the person to appear before the board at the time and place stated in the notice to show cause why a nuisance should not be declared to be existing on the premises.

disposal services provided under authority of a disposal license shall be governed by the terms of the underlying license agreement.

- (2) Upon recommendation of the Committee the County Court may approve and establish existing rates filed by applicants for franchises if it finds that such rates are not demonstrably unreasonable and are not substantially higher than those charged generally in the County under similar service requirements and for the same or similar quality of service or it may establish a rate schedule. In determining whether rates are reasonable under this subsection the County Court shall give due consideration to the rate guidelines established by this section.
- (3) Upon recommendation of the Committee the County Court may establish uniform rates throughout the County or may establish rates within zones based upon the length of haul or other factors which may, in the opinion of the County Court, justify establishment of rate differentials.
- (4) When establishing rates for disposal sites, franchised under this Ordinance, in addition to other factors specified in this section, the County Court shall consider the type of site, the cost of operation of such site, whether or not the site is open to the public, the type of waste to be disposed of and cost of compliance with Federal, State, and local laws and regulations, together with such other factors which may in the opinion of the County Court affect the rates to be charged. The County Court may establish uniform rates for franchised disposal sites or may establish different rates based upon the factors specified in this section.
- (5) In determination of rates or proposed rate changes, the Committee and the County Court shall give due consideration to: the investment in facilities and equipment; the services of management; local wage scales; the concentration of customers in the area serviced; methods of storage; collection; transportation and disposal; the length of haul to disposal facilities; the cost of disposal; a reasonable return to the owners of the business; the future service demands of the area or site which must be anticipated in equipment, facilities, personnel, or land; extra charges for special pickups or pickups on days when service is not normally provided on a route; extra charges when the type or character of solid waste, including but not limited to wastes with peculiarly offensive odors, requires special handling or service; and extra charges for providing janitorial services on the premises where service is provided.

(6) The County Court may require an investigation by the Committee of any proposed rate or rate increase or decrease. For the purpose of making this investigation, the Committee, in cooperation with the Administrator, is authorized to hold public hearings and to take and receive testimony relevant to the considerations to be made by the County Court in establishing a rate or in allowing or denying the rate increases or decreases under this Ordinance. Upon completion of its investigation the Committee shall make a report of the public hearing and shall make recommendations to the County Court regarding the proposed rate.

(7) In establishing rates or in considering rate increases or decreases, the County Court must find that the rates will be just, fair, reasonable, and sufficient to provide proper service to the public. The County Court may consider the rates charged by other persons performing the same or similar service in the same or other areas.

(8) In the event no rate has been established for a particular type of service, the Administrator may establish an interim rate until the County Court makes a final determination on the rate for that type of service. In establishing such a rate, the Administrator shall give due consideration to all of the factors established as guidelines for the Committee and County Court in this section.

(9) Where disposal rates at a disposal site utilized by a County franchised solid waste collection company adjust due to a contract or scheduled adjustment approved by the Board (such as a cost of living inflator) there shall also be corresponding adjustment approved in the established collection rates as will be just, fair and reasonable to reflect such disposal rate adjustment. The owner or operator of any disposal site for which a scheduled or contract adjustment in the disposal rate has been approved by the Board, shall provide sixty (60) days advance notice to the County and all affected franchised collection companies of the amount and effective date of such disposal rate adjustment. The affected franchised collection companies shall within fifteen (15) days of said notice, prepare and submit to the Administrator a revised collection rate schedule fairly reflecting the pass-through of said disposal cost adjustment. The Administrator shall have fifteen (15) working days following the receipt of such revised collection rate schedule to accept the collection company's proposal or propose an alternative rate schedule which it finds more fairly reflects the disposal rate adjustment. The revised collection schedule as accepted or recommended by the Administrator, shall become effective simultaneous with the effective date of

If the affected collection company disagrees with the Administrator's proposed alternative rate schedule, it may propose a formal rate review pursuant to this Section; provided, that the Administrator's alternative schedule shall remain in effect pending the completion of such review. Notwithstanding the Administrator's determination, the disposal rate adjustment shall go into effect as approved and the affected collection franchised companies shall be obligated to pay such adjustment.

105.040 RATE PREFERENCES PROHIBITED

- (1) No franchise holder subject to rate regulation under this Ordinance shall give any rate preference to any person, locality, or type of solid waste stored, collected, transported, or disposed.
- (2) Nothing in this section is intended to prevent:
 - (a) The reasonable establishment of uniform classes or rates based upon length of haul, type of solid waste stored, collected, transported, or disposed of or the number, type, and location of customers served or upon other factors as long as such rates are reasonably based upon costs of the particular service and are approved by the County Court in same manner as other rates.
 - (b) Any person from volunteering service at reduced cost for a charitable, community, civic, or benevolent purpose.

105.050 RESPONSIBILITY FOR PAYMENT OF CHARGES FOR SERVICE

Any person who receives service shall be responsible for payment for such service.
