Subject: **Support for Local First Responders**

Mid-Columbia Fire and Rescue would like to extend our appreciation to the Bargeway Pub and the Mid-Columbia Producers, for donating lunches to area first responders. Originally their gift was going to span one week, but then it continued for a total of three weeks, spanning April 13th through May 1st.

Approximately 464 lunches were distributed daily to numerous agencies, including Mid-Columbia Fire and Rescue, Wasco County Sheriff's office, Mid-Columbia Medical Center and their area clinics, and the Northern Oregon Correctional Facility (NORCOR). It is estimated that their effort provided 6,960 meals over the three-week period.

We all appreciate the thoughtfulness and support during these interesting times.
