SECTION 8.030 Criteria for Decision

No temporary permits shall be issued except upon a finding that the proposed structure, activity or use would not permit the permanent establishment within a zoning district any use not permitted within the zoning district of any use for which a conditional use permit is required.

SECTION 8.040 Conditions Relative to the Issuance of Temporary Permits

- A. Reasonable conditions may be imposed pursuant to 2.120(C) by the Approving Authority in connection with the temporary permit to minimize the potential impact of the proposed use to other uses in the vicinity. Guarantees and evidence may be required that such conditions will be or are being complied with. Such conditions may include, but are not limited to:
1. Special yards and spaces;
 2. Fences or walls;
 3. Control of points of vehicular ingress and egress;
 4. Special provisions on signs;
 5. Landscaping and maintenance thereof;
 6. Maintenance of the grounds;
 7. Control of noise, odors, or other nuisances;
 8. Limitation of time for certain activities.
- B. Any temporary permit shall clearly set forth the conditions under which the permit is granted and shall clearly indicate the time period for which the permit is issued. No temporary permit shall be transferable to any other owner or occupant, but may be renewable through the Administrative Action process.
- C. All structures for which a temporary permit is issued:

1. Shall meet all other requirements of the zoning district in which they are located;
2. Shall meet all applicable County health and sanitation requirements;
3. Shall meet all applicable County building code requirements;
4. Shall be removed upon expiration of the temporary permit unless renewed by the Director, or used in conjunction with a permitted use; and
5. Shall meet the appropriate requirements for the protection and enhancement of scenic, cultural, natural and recreation resources as required in [Chapter 14 - Scenic Area Review](#).

SECTION 8.050 Issuance of Permits

- A. Temporary permits shall be issued for the time period specified by the Approving Authority but may be renewable upon expiration as an Administrative Action if all applicable conditions can again be met. In no case shall a temporary permit be issued for a period exceeding two (2) years, unless the temporary permit is renewed.
- B. Renewal of a temporary permit shall follow the same procedure as the initial application.

SECTION 8.060 Temporary Use of a Manufactured Home (Family Hardship)

- A. During a family hardship condition where the condition relates to the necessary care for aged, infirm or persons otherwise incapable of maintaining a separate residence, the Director may authorize the placement of a manufactured home on a lot if the following criteria are met:
 1. The request for the manufactured home is submitted in writing. Such request shall state the nature of the hardship, the names of the persons who will occupy such dwelling, the relationship of the occupants of such dwelling to the residents, and the estimated period of time the dwelling will remain on the property.
 2. The additional dwelling will use the same subsurface sewage disposal system used by the existing dwelling if that said sewage disposal system is adequate to accommodate the additional dwelling unless the additional dwelling can utilize a public sanitary sewer system.
 3. The additional dwelling is a manufactured home or recreational vehicle as defined in [Section 1.200](#) of this Ordinance.
 4. A family hardship exists where conditions relate to the necessary care for a member of the family occupying the principal dwelling and where medical conditions relate to the infirm or aged.
 5. The location and use of the additional dwelling otherwise conforms to the provisions established for the zone, and is found to be consistent with Chapter 14 - Scenic Area Review.
 6. The structure does not require a permanent foundation.
- B. Temporary placement of an additional dwelling may be granted for the time period specified by the Director, subject to annual review for compliance with the provisions of this section and any other conditions of approval. A temporary use permit may be renewable upon expiration if all applicable

conditions can be met. In no case shall a temporary placement be authorized for a period exceeding two (2) years, unless the temporary placement is renewed.

- C.** The Director shall determine whether or not the conditions described in this section warrant approval of the request to place an additional dwelling on the property. The Director may require a Doctor's, Physician's Assistant or nurse Practitioner statement showing that the person is incapable of maintaining a separate residence and needs to be near a family member for care and supervision. The Director may also require the applicant to provide any other evidence as he deems necessary to make that determination.
- D.** Upon expiration of the time period for which the temporary placement was authorized, or at such time as the hardship ceases to exist, whichever comes first, the property owner shall have thirty (30) days in which to remove the additional dwelling from the property, unless an extension is granted as prescribed above.
