## Explanation of Exceptions

**SEL 798**

Rev. 11/22

### Explanation of Exceptions

Valid votes that have been marked by the voter outside the vote targets or using a marking device that cannot be read by the vote tally system shall not be included in making the determination whether the voting system has met the standard of acceptable performance for any precinct or ballot batch under ORS 254.529(7)(a) through (c) and are to be listed as exceptions.

**The system tallied a vote for Joe Rae Perkins that had been crossed out by the voter and not caught during adjudication.**

**This resulted in one less vote for Joe Rae Perkins and one additional Undervote.**
