

LAND RECORDS VENDORS

Knowing how to properly navigate the land use laws in Wasco County can be challenging, especially since departments are prohibited by law from giving legal advice. For this reason, we have compiled the following list of vendors who you might contact to assist you.

Note: this is a partial list, and does not constitute a recommendation of that vendor. Please refer to the telephone directory or Internet for other consulting options. If you know a firm that would like to be added to this list, please email Lisa Gambée at lisag@co.wasco.or.us.
