on our website

[www.co.wasco.or.us/
departments/planning](http://www.co.wasco.or.us/departments/planning)

Submit Application

STEP
03

The Planning team will help you
find the info needed
for a complete application.

Other Permits

You may also need sanitation
or building codes approval.
Contact for timelines and fees:
Building Codes: 541-506-2650
Public Health: 541-506-2600

Development

STEP
05

Once you get land use,
sanitation, and building codes
approval, you are ready to replace
your building or structure.

An application for replacement of a legal structure must be submitted within ONE YEAR of the fire, otherwise it will be reviewed as new development.
