Whiteside County Health Department
FOR IMMEDIATE RELEASE

Whiteside County Community Health Clinic Mobile Physicals at Whiteside High Schools in May and July

May 2, 2023 – The Whiteside County Community Health Clinic will be offering appointment only physicals at High Schools in Whiteside County in May and July. These mobile physical clinics are being offered early and at schools throughout the county to help students and parents prepare for next year.

Illinois requires physicals for all children who participate in sports as well as those entering Kindergarten, 6th grade, 9th grade or their Freshman year.

School physicals will be \$50 with sports physicals only \$35. Participants may pay with cash or credit card or have their child’s insurance, Medicare or Medicaid billed instead.

Individuals interested in taking advantage of off-site physicals can schedule their appointment by calling the Whiteside County Community Health Clinic at 815-626-2230 extension 1422.

Paperwork should be completed ahead of time with consent forms signed by a legal guardian and children ages 14-17 with a signed consent form do not need to be accompanied by a guardian. To access the appropriate paperwork, parents may stop in at the Whiteside County Community Health Clinic in Rock Falls or access the forms online www.whitesidehealth.org/documents_files under Physical Paperwork.
