## EXECUTIVE SUMMARY

After the completion of the first year of the 2017-2019 Strategic Plan, the leadership of the Williamson County and Cities Health District (WCCHD) commissioned this report to 1) assess the progress we have made so far towards achieving the plan’s goals, and 2) make recommendations for corrective actions for 2018. This report summarizes where we are doing well, where we are off track, which projects are at risk and, most importantly, what we are going to do about it.

2017 was the first year of implementation for the agency’s performance management system (AchieveIt), which meant that WCCHD had a powerful new tool to track our performance regularly against all plans (i.e., the Strategic Plan, Community Health Improvement Plan, and all agency project plans). Division Directors and leadership reported on progress monthly, and the District Leadership Team (DLT) periodically reviewed the agency’s status throughout the year.

The first year of the plan was very successful (Figure 1). Not only did WCCHD achieve roughly a third of the goals (30.1%), but over half were either on track or achieved (51.8%) with only 4.7% off track and 1.3% at risk. 47 of 955 items (4.9%) were canceled and the remainder (37.4%) were not yet started. A deeper dive into these numbers is provided later in this report.

**Figure 1: Strategic Plan Overview**

For the nine goals set forth in the three-year StratPlan, WCCHD’s Year One progress is as follows:

A1: Create a culture of quality	A2: Develop the public health workforce	A3: Improve processes	A4: Implement strategic management	B1: Replace DSRIP funding	C1: Expand services	D1: Increase visibility	D2: Increase community support	D3: Increase community preparedness
38.12% On Track	37.73% On Track	40.97% On Track	63.34% On Track	\$25,000 (1.84%) At Risk	36.9% On Track	30.43% Off Track	60.00% On Track	86.54% On Track

The sections that follow provide further details on the structure of the plan and the status of the objectives and strategies that support each goal as of 12/31/2017.

## STRATEGIC PLAN OVERVIEW

---

The 2017-2019 Strategic Plan (StratPlan) for the Williamson County and Cities Health District (WCCHD) guides the work of the District to meet the Board of Health's goals through achievement of objectives, strategies, and action steps. Figure 2 below depicts the relationships between the different levels of items within the StratPlan from broadest scope to narrowest; each level has a layer of accountability and performance management:

- A theme is a grouping of ideas by topic (e.g., sustainability).
- A goal is a desired end result. These are realized at the agency level, with leadership accountable for results.
- An objective is a statement about what is to be accomplished. All objectives are SMART (Specific, Measurable, Achievable, Relevant, and Time-bound) and are assigned to a specific Division within the agency, although many objectives require intra-agency coordination. WCCHD's organizational chart of Divisions is provided in Appendix A.
- Strategies define an approach to take to accomplish the objective; there are potentially many possible strategies for achieving any given objective. Strategies are assigned to individual Division Directors or designees who are ultimately responsible for ensuring the strategy is executed.
- The action steps are the specific steps that need to be taken to execute a strategy. Individual staff members are assigned action steps and held accountable for achieving results and meeting deadlines.

**Figure 2: Strategic Plan hierarchy**

The four themes of this plan are:

- A. **High-Performance Local Government:** WCCHD seeks to be outcome-oriented, mission-driven, strategic, and responsive to the needs of the community. We provide outstanding customer service through “smart government”.
- B. **Sustainable Funding:** Too often, public health operates at the mercy of uncertain state and federal funding, making it difficult to build and maintain lasting capacity to meet the changing needs of the community. WCCHD will reduce its dependence on unstable funding streams, diversify income sources, and increase fee revenue to provide a sustainable platform for future success.
- C. **Growing with Wilco:** Williamson County is experiencing rapid growth and demographic changes, and WCCHD must grow and adapt to keep pace with those changes. WCCHD will increase the availability of public health services and adapt services to meet the evolving needs of the people of the county.
- D. **Engaging the Community:** One of the many benefits of living in Williamson County is the community. WCCHD will engage the population as partners in health improvement through outreach events, social media, and our community partners in the Wilco Wellness Alliance. We will deepen existing relationships and build new ones, increasing grassroots support in a collaborative cycle of cooperation, referrals, and coordination.

**Figure 2: Themes and Goals**

WCCHD 2017-2019 Strategic Plan Overview				
Themes	Goals			
A. High-Performance Local Government	A1. Create a culture of quality at WCCHD	A2. Develop the public health workforce	A3. Improve processes to increase efficiency and effectiveness	A4. Implement Strategic Management to monitor progress against goals and objectives
B. Sustainable Funding	B1. Replace DSRIP funding			
C. Growing with Wilco	C1. Expand services to meet the changing needs of the community			
D. Engaging the Community	D1. Increase the visibility of WCCHD in the community	D2. Increase community support	D3. Increase Community Preparedness	

In keeping with the structure of the plan, this report includes a section for each theme with the 2017 progress for each objective and strategy.

## A. HIGH-PERFORMANCE LOCAL GOVERNMENT

### Goal A1. Create a culture of quality at WCCHD.

WCCHD aims to establish a culture of quality focused on continuous quality improvement (CQI). This culture will be achieved through quality improvement (QI) at the agency-wide level, division level, and through individual process improvements.

Objective	Strategy	Update	Status	Progress
<b>A1.1</b> By 12/31/2019, each Division will triple the number of completed Division-level quality improvement (QI) projects above baseline (minimum of three).	<b>A1.1.1</b> Hold Division Directors accountable for QI projects in the monthly report, annual report, and at performance reviews.	Executive Director will meet with each Division Director in January to discuss each Director's planned QI projects for 2018.	Off Track	20%
<b>A1.2</b> By 12/31/2019, WCCHD will improve scores on the National Association of County and City Health Officials (NACCHO) Self-Assessment Tool for Quality by 25% above baseline.	<b>A1.2.1</b> Implement the NACCHO Roadmap to Creating a Culture of Quality.	The Senior Quality Manager (SQM) and the QM Committee conducted the NACCHO SAT to assess the agency's baseline score. The QM Committee implemented selected intervention strategies.	On Track	33%
<b>A1.3</b> By 6/30/2018, the quality management (QM) committee will assure availability to QI competency development resources for all WCCHD employees.	<b>A1.3.1</b> Research, develop, and deploy a training curriculum based on best practices and research.	The SQM developed a Quality Improvement training curriculum and opened training to the QM Committee. The SQM needs to certify 25% of QM Committee and implement training curriculum for all WCCHD staff.	On Track	61%
<b>A1.4</b> By 6/30/2018, QSM will establish an annual schedule to revise and publish the WCCHD Integrated QI Plan.	<b>A1.4.1</b> Revise and publish the QI plan annually.	The first draft of the 2017 QI Year 1 Plan was included as a component of the Performance Management Plan, which was submitted for review and final editing.	On Track	85%

## 2017-2019 Strategic Plan Year 1 Report

Objective	Strategy	Update	Status	Progress
<b>A1.5</b> By 12/31/2018, QSM will provide ELT recommendations regarding application for the Malcolm Baldrige National Quality Award.	<b>A1.5.1</b> Conduct feasibility and cost-benefit analysis assessment.	The SQM is in the early stages of researching feasibility and cost-benefit of applying for the Malcolm Baldrige award.	On Track	24%

### Goal A1 Corrective Action Plan:

- The Executive Director will review QI cycles completed on the monthly report for each Division each month in 2018 and address issues with Divisions as needed.

### Goal A2. Develop the public health workforce.

The non-profit Public Health Foundation notes that “a well-prepared public health workforce is the foundation of a healthy community.”<sup>1</sup> WCCHD’s Workforce Development plan describes how we will enhance the training, skills, and performance of our employees.

Objective	Strategy	Update	Status	Progress
<b>A2.1</b> By 6/30/2017, ELT will implement a Board of Health (BoH) Director orientation and onboarding process.	<b>A2.1.1</b> Develop a process for BoH member onboarding.	The Deputy Director has developed a Board of Health training manual, which is now in use.	Achieved	100%
<b>A2.2</b> By 12/31/2019, 90% of all staff will be trained in the basics of emergency response and incident command.	<b>A2.2.1</b> Implement a training program for all staff appropriate to their Tier and job function.	The Emergency Preparedness and Response (EPR) division assessed response needs for all staff, developed a multi-year staff training and exercise plan, and collected training records from all staff.	On Track	99%
<b>A2.3</b> By 12/31/2019, 90% of DLT members will be proficient in the core	<b>A2.3.1</b> Implement a training program and schedule for DLT staff.	EPR identified training for DLT.	On Track	96%

	components of incident command for public health (Emergency Support Function 8).	<b>A2.3.2</b>	Implement an Incident Commander rotation for DLT staff through project management of non-emergency operations.	EPR continues to track DLT members who have assumed Incident Commander role for project management.	On Track	65%
<b>A2.4</b>	By 9/30/2017, human resources (HR) will enhance the procedure for onboarding new employees.	<b>A2.4.1</b>	Update employee onboarding process and associated procedures at the agency and Division level.	HR is identifying additional needs as new employees are processed. Feedback was positive. Recommendations for improvement are outside of HR capabilities: keys, scan badge, computer access on first day. The HR team continues to find ways to improve this process for a more efficient employee first day.	Off Track	33%
<b>A2.5</b>	By 6/30/2018, HR will establish an integrated, central training resource for employees.	<b>A2.5.1</b>	Develop "WCCHD University" with specific learning tracks.	Only 27 employees are showing up in the TX TRAIN WCCHD list. HR Submitted a ticket to TX TRAIN support for assistance.	On Track	15%
<b>A2.6</b>	By 3/31/2017, HR will establish annual schedule to update the Workforce Development plan at end of first quarter of every year.	<b>A2.6.1</b>	Review and revise the Workforce Development plan annually.	Competencies have not changed. HR will need to update training plans.	Off Track	8%
<b>A2.7</b>	By 12/31/2019, WCCHD will have 80% of employees trained to the minimum competencies necessary for their position Tier and meeting continuing education requirements.	<b>A2.7.1</b>	Assist Division Directors in creating specialized training plans for employees based on position.	WCCHD has not started on strategy. WCCHD will implement this strategy in late 2018.	Not Started	0%

## 2017-2019 Strategic Plan Year 1 Report

Objective		Strategy		Update	Status	Progress
<b>A2.8</b>	By 06/30/2018, Program Eligibility and Social Services (PESS) and ELT will be fully informed in the County Indigent Healthcare Program (CIHCP) program funding and mechanics.	<b>A2.8.1</b>	Create a comprehensive report describing all relevant aspects of Williamson County's Indigent Healthcare Program (CIHCP, known as WilCo Care).	PESS developed a comprehensive report describing CIHCP. All documents have been uploaded, however, PESS Director would like to create a quick reference one-pager to accompany the information.	On Track	58%
<b>A2.9</b>	By 12/31/2017, WCCHD will expand the employee award and recognition system in place.	<b>A2.9.1</b>	Research best practices and expand employee award and recognition system.	HR submitted 2018 budget request and was approved for \$3,000. However, HR will need to revisit option because program requested requires \$5,000.	On Track	15%
		<b>A2.9.2</b>	Implement Merit Policy and devise a sustainability plan for annual implementation.	HR implemented Merit policy in place, Board of Health will review for sustainability on an annual basis.	Achieved	100%
<b>A2.10</b>	By 6/30/2018, every position will have at least two employees fully trained to perform the necessary job functions.	<b>A2.10.1</b>	Cross-train staff at the Division level.	HR has not started on strategy. HR will implement strategy with directors, to assess current cross-training levels and needs in 2018.	Not Started	0%
		<b>A2.10.2</b>	Train at least one staff member per Division to provide public information to the media.	Marketing and Community Engagement (MarCom) Director identified DLT members to receive in-person media training.	On Track	50%
		<b>A2.10.3</b>	Convert technical Environmental Health (EH) employees to an Environmental Health Specialist model.	WCCHD has not started on strategy. Employees have been identified that would like to cross-train in other areas.	Not Started	0%
		<b>A2.10.4</b>	Assist all Divisions to develop a succession plan that identifies employees in succession for future leadership roles.	WCCHD has not started on strategy. WCCHD will implement strategy in 2018.	Not Started	0%

## 2017-2019 Strategic Plan Year 1 Report

Objective		Strategy		Update	Status	Progress
<b>A2.11</b>	By 9/30/2018, HR will assess employees to identify best approaches for collaboration and team development.	<b>A2.11.1</b>	Provide the Strengths Finder tool for all employees.	HR has not started on strategy. HR will implement strategy in 2018.	Not Started	0%

### A2 Corrective Action Plan for 2018:

- Human Resources will update the Workforce Development plan no later than the second quarter of 2018, to include updated training plan templates.
- Human Resources will work with Administration and Finance and the Deputy Director on a sustainability plan for merit increases no later than the end of the third quarter of 2018.
- WCCHD will initiate all activities scheduled to start in 2018.

### Goal A3. Improve processes to increase efficiency and effectiveness.

WCCHD is focused on improving the programs and services it provides to its stakeholders. WCCHD will evaluate its key programs, processes, and services toward improving their effectiveness, efficiency, outputs, outcomes, and customer satisfaction.

Objective		Strategy		Update	Status	Progress
<b>A3.1</b>	By 12/31/2017, Administration and Finance (A&F) will have an electronic purchasing system.	<b>A3.1.1</b>	Procure purchasing system to meet business needs.	With the assistance of a review committee, A&F reviewed, selected, and purchased an additional module to the current accounting system in December for WCCHD's procurement needs.	On Track	63%

## 2017-2019 Strategic Plan Year 1 Report

Objective		Strategy		Update	Status	Progress
<b>A3.2</b>	By 12/31/2017, A&F will have an updated timekeeping system.	<b>A3.2.1</b>	Implement timekeeping system to meet business needs.	The A&F has chosen the Abila EWS product at the only viable solution at this time and at little to no additional cost to WCCHD. The project will be resurrected and with the approval of the Deputy Director, HR will take a lead role in implementation and training.	On Track	41%
<b>A3.3</b>	By 12/31/2017, Women, Infants, and Children (WIC) will improve service delivery and information management.	<b>A3.3.1</b>	Implement new information management system (TXIN).	WIC piloted and implemented TXIN in September.	Achieved	100%
<b>A3.4</b>	By 12/31/2018, EH will have a new database for environmental health.	<b>A3.4.1</b>	Identify requirements and capabilities needed for a new comprehensive EH database to improve tracking, billing, and reporting.	Williamson County is purchasing Accela as the new comprehensive EH database. Training and projected live date for the database will begin in February 2018.	Achieved	100%
		<b>A3.4.2</b>	Implement environmental health information management system to meet business needs.	EH will implement the new EH database, begin data entry of all transactions, and begin reporting in January 2018.	On Track	18%
<b>A3.5</b>	By 12/31/2019, EH will implement a progressive enforcement program for environmental health.	<b>A3.5.1</b>	Enhance current enforcement tools to meet desired standards.	EH ensured that the new database would include the required reports to implement enforcement tools. In addition, EH is running Quality Assurance (QA) monthly to ensure all complaints are following procedure.	On Track	21%
<b>A3.6</b>	By 12/31/2018, PESS will implement a robust CIHCP fraud detection process.	<b>A3.6.1</b>	Implement residence checks.	PESS is unsure if physical resident checks will be necessary. PESS will likely have to hire/enlist the help of a Constable.	At Risk	40%

## 2017-2019 Strategic Plan Year 1 Report

Objective		Strategy		Update	Status	Progress
<b>A3.7</b>	By 12/31/2018, PESS will reduce the median time for processing an application by 20%.	<b>A3.7.1</b>	Implement QSM audit recommendations to improve processes.	QSM process review will begin in 2018.	Not Started	0%
<b>A3.8</b>	By 12/31/2018, QSM will provide recommendations to improve effectiveness of Program Eligibility and Social Services programs.	<b>A3.8.1</b>	Conduct performance audit of PESS.	QSM process review will begin in 2018.	Not Started	0%
<b>A3.9</b>	By 12/31/2019, WCCHD will have moved selected staff to the new facility at 355 Texas Avenue.	<b>A3.9.1</b>	Implement the Facility Move project plan.	The Facility Move Task Force meets monthly to implement Facility Move project plan in Achievelt.	On Track	16%
<b>A3.10</b>	By 12/31/2019, WIC will relocate WIC services to new facilities.	<b>A3.10.1</b>	Implement new WIC service locations in Georgetown, Round Rock, Taylor, and Cedar Park.	WIC has not started on strategy. WIC will implement strategy in 2018.	Not Started	0%
		<b>A3.10.2</b>	Implement WIC service additional location or locations based on clientele needs.	WIC has not started on strategy and is pending successful implementation of TXIN. WIC will implement strategy in 2018.	Not Started	0%
<b>A3.11</b>	By 6/30/2017, EH will improve customer service in Retail Food Program.	<b>A3.11.1</b>	Implement High Performance Customer Service for all Retail Food employees.	All Retail Food employees have received High Performance Customer Service.	Achieved	100%
<b>A3.12</b>	By 6/30/2018, EH will improve effectiveness of Retail Food Program based on performance audit recommendations.	<b>A3.12.1</b>	Implement performance audit recommendations and improvements.	EH has not started on strategy because process review has not been completed. EH will implement strategy in 2018.	Not Started	0%

## 2017-2019 Strategic Plan Year 1 Report

Objective		Strategy		Update	Status	Progress
<b>A3.13</b>	By 6/30/2018, QSM will provide recommendations to improve effectiveness of Retail Food Program.	<b>A3.13.1</b>	Conduct a performance audit of Retail Food Program.	QSM mapped out the RFP process and conducted a critical path analysis. QSM will conduct a detail RFP walk-through in January 2018 and draft a summary report with recommendations.	On Track	70%
<b>A3.14</b>	By 6/30/2018, WCCHD will maximize use and effectiveness of PolicyTech.	<b>A3.14.1</b>	Implement PolicyTech Phase II and III.	WCCHD has not started on strategy. WCCHD will implement strategy in 2018.	Not Started	0%

### A3 Corrective Action Plan for 2018:

- The Deputy Director will continue to work on PolicyTech Phases II and III.
- QSM will complete the Retail Food program process review and submit the findings to Environmental Health in the first quarter of 2018.
- WIC will develop a project plan for relocation of WIC services, starting with Round Rock, no later than the end of the second quarter of 2018.
- QSM will schedule the PESS process review to begin in the second quarter of 2018.
- The PESS Director and Executive Director will determine if physical residency checks are feasible no later than the third quarter of 2018.

### Goal A4. Implement Strategic Management to monitor progress against goals and objectives.

The implementation of the StratPlan is key to strategic management and consists of two interrelated processes – change management and performance management. Change management addresses questions of how to prepare, equip, and support individuals to successfully adopt change in order to drive organizational success and outcomes.

Objective	Strategy	Update	Status	Progress
<b>A4.1</b> By 10/31/2017, WCCHD will transition the On-Site Sewage Facility (OSSF) program smoothly and effectively to the County.	<b>A4.1.1</b> Prepare OSSF program for transfer.	WCCHD transferred OSSF to Williamson County in October.	Achieved	100%
	<b>A4.1.2</b> Prepare fiscal impact analysis for EH.	All fiscal impacts were configured and shared accordingly within the imposed timeline.	Achieved	100%
	<b>A4.1.3</b> Inform public and clients of the change.	EH notified the public and OSSF clients of the change through the OSSF newsletter, website, and social media. EH placed physical signs at the front desk of the office and passed out cards to customers with the new contact information.	Achieved	100%
<b>A4.2</b> By 12/31/2019 WCCHD will be competitive in salaries for each job title in WCCHD inventory as resources allow.	<b>A4.2.1</b> Conduct a compensation study for all job titles.	HR updated the electronic file database based on job descriptions and pay grade.	On Track	7%
	<b>A4.2.2</b> Review and revise Salary Schedule annually for Board of Health review based on compensation studies.	The Deputy Director completed the FY18 schedule salary, incorporated impacted job positions' salary changes to FY18 Proposed Budget and obtained approval of FY18 salary schedule.	On Track	21%
<b>A4.3</b> By 12/31/2018 WCCHD will have agency-wide standards for government relations.	<b>A4.3.1</b> Create written guidance and procedures for government relations.	PESS Director participated in TACCHO's Policy and Government Affairs Committee and continues to serve on Texas Indigent Health Care Association (TIHCA) Board.	On Track	65%

## 2017-2019 Strategic Plan Year 1 Report

Objective		Strategy		Update	Status	Progress
<b>A4.4</b>	By 12/31/2019, WCCHD will systematically promote and improve employee effectiveness.	<b>A4.4.1</b>	Develop and implement an employee performance management system for WCCHD.	QSM trained DLT and ELT on the new performance management system software – Achievelt. The Performance Management System Plan is drafted and waiting review.	On Track	86%
<b>A4.5</b>	By 3/31/2018, A&F will have an integrated and effective fiscal and budgetary management system.	<b>A4.5.1</b>	Develop Standard Operating Procedures to assure effective practices, provide situational awareness, and mitigate risk.	Strategy has been delayed due to new module implementation.	On Track	70%
		<b>A4.5.2</b>	Implement automated budget software.	A&F selected an additional module for Abila MIP as its automated budget software. A&F scheduled meetings with the vendor/administrator to develop a plan for full implementation effective January 2018.	On Track	60%
<b>A4.6</b>	By 9/30/2018 WCCHD will increase its capacity for performance at highest levels of effectiveness.	<b>A4.6.1</b>	Develop High Performance Local Government (HPLG) procedures.	All 102 current WCCHD employees have received HPCS training. The Executive Director will work with QSM and HR in January 2018 on an Action Plan to continue this training for all of DLT.	Off Track	24%
		<b>A4.6.2</b>	Implement High Performance Local Government (HPLG) procedures.	HR implementation of HPLG procedures is dependent on Executive Director's vision for HPLG.	Off Track	33%

### A4 Corrective Action Plan for 2018:

- The Executive Director will work with QSM and HR to deliver High Performance Local Government training to the District Leadership Team.

## B. SUSTAINABLE FUNDING

### Goal B1. Replace DSRIP funding.

WCCHD will devote resources to replace Medicaid 1115 Waiver/Delivery System Reform Incentive Program (DSRIP) funding.

Objective		Strategy		Update	Status	Progress
B1.1	By 06/30/2018, PESS will create a comprehensive fiscal sustainability plan for all DSRIP-funded positions.	B1.1.1	Conduct a feasibility study on Community Health Worker (CHW) billing.	PESS considered the feasibility of billing Texas Medicaid for CHWs. CHWs are unable to bill because they are considered administrative.	Achieved	100%
		B1.1.2	Solicit grant funding for CHWs and Program Navigators.	PESS director discussed with Texas A&M Health Science Center/RHP8 on ability to seek additional (outside) funding for DSRIP projects. HHSC and CMS approved a five-year DSRIP extension starting in 2018.	Off Track	0%
B1.2	By 12/31/2019, Clinical Services will increase program revenue to account for 40% of the Clinical budget.	B1.2.1	Maximize billing to Medicaid.	Clinical Services started billing Medicaid for the Healthy Texas Women (HTW) program. Clinical Services is completing a sliding fee scale in order to bill Medicaid for the best reimbursement rate.	On Track	53%

## 2017-2019 Strategic Plan Year 1 Report

Objective		Strategy		Update	Status	Progress
		<b>B1.2.2</b>	Bill services to insurance.	Clinical Services selected Harris Health to begin the process of billing services to insurance. Clinical Services updated all templates and nurses are beginning to test them out. Clinical Services will conduct QA assessment of the templates along with a training for the nurses (correct coding level for billing).	On Track	46%
		<b>B1.2.3</b>	Increase number of clinical encounters.	In 2017, Clinical Services implemented staggered lunch hours; however, staff vacancies challenge consistent, ongoing application. A new nurse practitioner was hired.	On Track	41%
<b>B1.3</b>	By 12/31/2019, WCCHD will increase funding from grant sources by 30%.	<b>B1.3.1</b>	Dedicate staff for new and/or enhanced grant application development and tracking.	QSM hired a Grants and Sustainability Coordinator. The new coordinator began development of grant application development and tracking. She is currently identifying grant opportunities, meeting with divisions to develop action plans for applying to grants, and tracking progress of grants.	On Track	76%

2017-2019 Strategic Plan Year 1 Report

Objective		Strategy		Update	Status	Progress
<b>B1.4</b>	By 3/31/2019, QSM will provide ELT recommendations on creation of cancer screening programs funded by Cancer Prevention Research Institute of Texas (CPRIT).	<b>B1.4.1</b>	Identify the need for, feasibility, resources, and bandwidth necessary to create a cancer screening program funded by the Cancer Prevention Research Institute of Texas (CPRIT).	WCCHD is meeting with different Cancer Center employees to gather information on how they treat indigent patients. WCCHD has been trained and is registered as a Texas Quit Line provider. Any clients referred by WCCHD to the Quit Line are able to receive phone counseling and over the counter medications. WCCHD is currently preparing a CPRIT Tobacco Cessation grant application and gathering data for a CPRIT HPV vaccination grant application (August 2018).	On Track	35%
<b>B1.5</b>	By 9/30/2018, Clinical Services will implement a complete Women's Health Program.	<b>B1.5.1</b>	Implement the HTW's fee-for-service program in all Public Health Clinics.	Clinical Services implemented HTW in all PHCs. Clinical Services is developing a sliding scale to bill services. WCCHD needs to market HTW program in 2018.	On Track	97%
		<b>B1.5.2</b>	Implement the HTW's categorical funding program in all Public Health Clinics.	WCCHD canceled this strategy because categorical funding is not available at this time.	Canceled	N/A
<b>B1.6</b>	By 9/30/2017, WIC will increase reimbursement from DSHS.	<b>B1.6.1</b>	Investigate feasibility of billing allowable indirect costs to DSHS.	Current funding is level to FY 2017 amounts. Have not started due to contract time requirements.	Off Track	7%

**B1 Corrective Action Plan for 2018:**

## SUMMARY AND NEXT STEPS

The Strategic Plan is a living document, and WCCHD will continue to monitor and adjust tasks and deadlines as necessary to achieve the goals of the Board of Health. Division Directors and Executive Leadership will continue to enter progress into the performance management system monthly, and once each quarter the District Leadership Team will conduct an in-depth review of progress against goals, objectives, and strategies.

Also, WCCHD will address the issue of past due items (17.1%) and late updates (34.3%). In the first year, the focus was on introducing the system and training staff. In the second year, Directors will have increased ownership of their items in the strategic plan and greater accountability for outcomes. As the performance management system implementation moves into the next phase, it will be even more important for staff to meet project deadlines and submit updates on time.
