Dear Colleague,

This letter is to request that you remind parents and students from your school that if they wish to utilize Williamsville Central School District’s school bus transportation in the 2022–2023 school year they MUST fill out a “Transportation Application” form and return it to the Transportation Department by April 1, 2022. Please be aware that the District will adhere to New York State Education law when determining transportation eligibility for students.

The application forms for Transportation are available online at the Williamsville Central Schools District Website (http://www.williamsvillek12.org) by accessing the department tab and selecting “Transportation”. A parent may also choose to pick-up a form at the Transportation Department at 533 Mill Street, Williamsville. Daily hours are from 7:00am to 3:30pm.

At the end of April, the District will send your school a list of eligible students who qualify for transportation in the 2022–2023 school year. Students not on the list will not be eligible for transportation in 2022–2023 unless they meet an exception as granted by the law.

Please call the Transportation Department at (716) 626-8398, Monday – Friday between 7:00am to 3:30pm with any questions.

Sincerely,

Graham Violino
Transportation Supervisor
