SCHOOL REOPENING

- Officially welcomed students and staff back into our buildings for full-time, in-person instruction on September 8th
TRANSPORTATION

- Started the year 12 drivers short of our typical bus driver rotation
- Student Transportation of America is in the process of hiring and training additional drivers
- Technical issues with the MyStop bus app have been resolved
HEALTH AND SAFETY
HEALTH AND SAFETY

● Continue to complete the Daily COVID-19 Health Screening Questionnaire and temperature check before school
  ○ Daily reminders to complete the health screening and temperature check will be sent at 6:00 am

● If staff members or students exhibit signs or symptoms of COVID-19 PLEASE STAY HOME

● Daily COVID-19 Reports are available on the District’s COVID-19 Education Page
HEALTH AND SAFETY

- Sent information regarding proximal and surveillance testing to families and staff
- This testing is **OPTIONAL**
- If staff members and students choose to participate, they can opt-out at any time
- This testing does not satisfy the requirement for all individuals working in a P-12 environment to show proof of vaccination status or undergo mandatory weekly testing
