**FOREST ELEMENTARY**

**May 2019**

## **Message from Mr. Wing**

I want to start by thanking everyone who helped make our 6<sup>th</sup> Annual Run Forest Run such a huge success. This includes a special thank you to race coordinators Kalista Cozza, Kelsey Styn, and Jenny Allen. The race featured almost 400 runners and we were able to raise a significant amount of money to support the PUNT Foundation. Buffalo Bills safety Dean Marlowe was on hand to celebrate the day. We also had several local high school and college teams join in to volunteer. We are incredibly grateful for the amazing efforts everyone put in.

Some other news and notes include NYS Testing. We recently completed NYS ELA Exams for grades 3 and 4. Our students did worked very diligently in preparing and completing these assessments. The NYS Math Assessments for grades 3 and 4 commence on May 1<sup>st</sup> and 2<sup>nd</sup>.

Please note that we have some movement within our teaching ranks next year. We anticipate the following teachers at the following grade levels. Of course, this is subject to change based on student enrollment.

## CLASS PLACEMENT 2019-2010

Annually, the teachers and administration at Forest Elementary work diligently in the Spring to create class lists for the following school year. Though we have had the opportunity to work with your child and feel that we know them well, your opinion is always very important to us. If you would like to share any ideas you have about class placement for the upcoming year, we welcome your input. Please be aware that we can never guarantee a specific teacher placement, but we will always work to meet the academic, social, and emotional needs of your child with the best fit possible. Please do not hesitate to share with us any thoughts you have, particularly in the areas of your child's strengths and areas for growth. Please communicate these thoughts with us prior to **June 1, 2019** by email ([kwing@williamsvillek12.org](mailto:kwing@williamsvillek12.org)) or written letter.

## FLAG DAY 2019

Again this year, Forest Elementary would like to take some time during the annual Flag Day ceremony to honor our American veterans who are connected with Forest Elementary School. The hope is that this will give our students an understanding that our American heroes are all around us and are often our neighbors, friends, and relatives.

During the Flag Day ceremony we would like to honor these individuals by reading their name and various details about their service. These individuals are invited to wear their military uniform if they chose to do so.

If you are/or know a veteran who is connected (relative or friend of a student) to Forest Elementary and is willing to be honored in the Flag Day ceremony please fill out the information below and return it to Mrs. Schrlau in the Forest Elementary Main Office by Tuesday, June 4th. Veterans who are included in the ceremony will be asked to be in attendance at Forest Elementary by 8:15 a.m. on Friday, June 14th. The ceremony itself is scheduled to begin at 8:30 and typically concludes by 9:30 a.m.

Please note, past honored veterans are more than welcome to participate again during the 2019 ceremony.

## **MyStop Information**

MyStop is a tracking software which utilizes the GPS devices installed on every school bus used in the District. A parent can only view information related to their children using a secure login and password.

Each student has a unique Student ID# that will serve as the user name and password associated with the bus routing information.

Log into WITS to view your child's profile. Then highlight and copy yours child's ID number provided on the WITS profile page. Click on the MyStop Icon located in the right hand margin of the WITS home page. Enter your child's ID # in both the user name and password fields. You will then see a map showing where the bus is on the route. This application will only apply to morning and afternoon routes, not field trip activity. If you need assistance, please email:

[WCSDbusapp@williamsvillek12.org](mailto:WCSDbusapp@williamsvillek12.org)

### **VISITORS**

All doors of the school are locked during the school day. Anyone entering the building needs to use the Main Entrance doors. All visitors must state their name and purpose of visit to the office staff. We ask that you do not let anyone in behind you or when you are leaving. All volunteers/visitors need to sign in at the Main Office and wear a visitor sticker. Please no do visit a teacher's classroom unless it has been prearranged with the teacher.

### **ELECTRONIC DEVICES**

The school will not be responsible for lost, damaged or stolen personal electronic devices. It is our recommendation that under most circumstances personal electronic devices not be brought to school. Students are not permitted to use a cell phone during the school day. If your child has a cell phone, it should be turned off or silenced. Students have access to the phone in the Main Office should an issue arise.

Lunch menus will be available the first of each month. There are several different choices daily. Your child will order their lunch choice in the morning with their teacher.

### **LUNCH PRE-PAYMENT SYSTEM**

Williamsville School District's Food Service Department is excited to provide parents a convenient, easy and secure online prepayment service to deposit money into your child's school meal account at any time. This service also provides parents the ability to view your child's account balance through a web site called [myschoolbucks.com](http://myschoolbucks.com). By having money in each child's account we find the lunch lines move along much faster. A \$2.49 transaction fee is charged for this service. For more information, please see the [District Child Nutrition page](#). You will need your child's student ID number to set up an account. This number is on your WITS Parent Portal. The website for student meal pre-payment is: [MySchoolBucks](#) You also always have the option to send cash or check with your child or stop in to our cafeteria and pre-pay for lunches.
