Forest Elementary Building Goals  
2016-2017

I. ELA
a.) Writing- Continue to support enhanced student writing through the Writing Units of Study.
b.) Reading- Continue efforts to enhance student volume and stamina when reading. Pursue additional reading support beyond Guided Reading.

II. RTI
a.) Strengthening our Tier I interventions via Teachers College Reading and Writing Program in classrooms.
b.) Refine the RTI Triangle specific to services at Forest Elementary
c.) Continually seek out creative methods to provide students with intervention

III. Mathematics
a.) Provide greater focus to student performance in our AIS mathematics program. Specific focus will be placed on Student problem solving strategies in word problems.b.) Maintain a focus on student mathematical fact fluency

IV. Strategic Plan
a.) Continue to develop a strategic plan that articulates values and practices proven to be effective and student-centered.

V. Technology Integration
a.) Continue to provide training to staff in support of existing devices which will enhance student engagement and improve instructional practice
