*Dear Heim Families:*

*WELCOME to the 2016-2017 school year! The beginning of every school year is a very exciting time for students, parents, faculty, staff and administration. As we embark on the 2016-2017 school year, the Heim faculty and staff will continue to work collaboratively to maintain the level of excellence that makes our school so special.*

*Our faculty and staff are committed to the academic success of our students and will work with their grade level teams to analyze student data and monitor progress to attain the learning goals that will ultimately improve overall student achievement.*

*Because the safety and well-being of our students is of the utmost importance at Heim Elementary, we will continue to have several safety procedures in place this year:*

- All doors at the school will be locked during the school day and visitors will be "buzzed in" upon their arrival.*

- Visitors **MUST** wear a "Visitor Badge" at all times while in the building.
- Visitors may not go to classrooms unannounced because this interrupts the instructional program. Someone from the Main Office will be more than happy to call the classroom if you need to stop down there for any reason.

Once again, these procedures are in place to keep our students as safe as possible. Please be assured, however, that parents are extremely valuable members of our Heim Family and your presence here is very welcome and encouraged.

We look forward to working with all of you this year to continue to make our school the best it can be!

Sincerely,  
Mrs. Bonnie L. Stafford  
Principal

## HERO'S CHARACTER CORNER SEPTEMBER – FRIENDSHIP

- Friendship is like a rainbow
- It is bright and full of color,
- There is no end in sight when you're with friends.
- Friends will always be there to help you,
- It may not be the advice they give,
- But it is the support given that really counts.
- Money doesn't make a person rich,
- What makes a person richer or poorer
- are the kinds of people they call friend,
- And with the friends I have ...
- I think that I'm very rich indeed.

# Message From Your PTA Co-Presidents

Welcome to Heim Elementary School for the 2016-2017 school year. We are excited to also welcome our new principal, Mrs. Bonnie Stafford, and three new members of our PTA Executive Committee: Celine Charleson, Shannon Hoffman, and Tara Sohol.

In addition, we celebrate four new classroom teachers in our school: Kaitlyn Plummer (1st Grade), Ellen Schaab (2nd Grade), Carley Sanders (3rd Grade) & MaryAnn O'Leary (4th Grade). We are also very pleased to welcome Elizabeth Killinger and Lauren Fonte to Special Education, and our new Gifted teacher is Mary Kate Bongiovanni. Thank you all for choosing Heim Elementary!

**THANK YOU** to our many Heim PTA **STAR VOLUNTEERS** **Lynn Inzinna** and **LuAnn Edwards**, for organizing our Boo Hoo Breakfast on September 6 for our Kindergarten parents. Your efforts were seamless and much appreciated. We value your enthusiasm! Michelle Connolly is our new Spiritwear Coordinator and has done a fantastic job getting the program fully operational with Heim Pride! We are over the moon that **Sara Scioli** is the new Believe Kids Chairperson, with help from **Amanda Brenon**, and thank them for joining us for another successful year of event planning.

In the past year, there has been an ongoing and strengthening conversation regarding the initiative to lower class sizes in the Williamsville Central School District, and specifically, at Heim Elementary. Last year, many of our classes were filled to capacity. In fact, we were actually over the recommended guidelines (23-27) for many 3rd and 4th grade classes, some hosting 27 and 28 students with only 5 classrooms per grade. First grade was also at capacity, and none of the numbers supported "room to grow".

Many parents felt this needed to change, and had become very vocal at PTA meetings, monthly Board of Education meetings, and public community forums this past spring. Data filled letters, emails, and an online petition were sent to our Superintendent, Dr. Scott Martzloff and his BOE team, requesting the overall reduction of class sizes. The August petition was formed to highlight the need for advocacy for our children and valued classroom teachers, and was signed by 191 people. A late August decision was made throughout the district to add new teachers to key schools with dangerously high enrollments. With the educational standards so high and testing so strenuous within our schools, parents have found their voice and have become engaged to share their views with the decision makers of our district.

And we affected change. The leaders of this cause were active PTA members, inspired by the love and concern for their own children, but empowered by their affiliation with one of the best child advocacy groups partnered with education. The mission of the PTA is

to make every child's potential a reality. Reducing class sizes is but one fine example of how we have achieved potential for better focus and more manageable student-teacher ratios in our school.

As a Heim PTA member, you also have the same abilities to advocate for your child. We all have an equal voice, and equal opportunity to become involved. Being a PTA member does not mean you have to "do" anything in particular. By supporting the Heim PTA, you are also part of the NYS PTA, which operates on a state level to see positive change happen in education, enrichment opportunities, the environment, and in legislation. There is power in numbers.

Thank you to Dr. Martzloff and our esteemed WCSD Board of Education for taking the time to listen, review, analyze the data, consider, and forecast our school needs as we head into a new year. We appreciate the gift of learning you have granted us and other schools in the district. The benefits will be gained daily, resulting in better implementation of curriculum. We will have happier students, parents, teachers and administrators whose jobs will be more rewarding because you were able to do what is best for kids.

We invite you to attend our membership meetings, and various events and extra curricular programs we offer students and families throughout the year. The complete list of happenings can be found in your Student Directory, and current events will be posted in your monthly *Heimgram*, on our website, [www.HeimPTA.org](http://www.HeimPTA.org) and on our PTA Facebook page.

Please join the Heim PTA and engage with other parents whose goal is the same as yours: fun with a purpose, to make school a better place, and to spend time as a family away from home. We always encourage and recommend volunteerism, and welcome ideas and input as we continue to plan for the excitement kids experience when they are about to do something extraordinary.

Co-President, Heim Elementary PTA

# HEIM

After much commitment and dedication during the 2015-2016 school year, both the PTA and Heim Elementary School have been designated again by the National PTA as a National PTA School of Excellence! As you may already know, the National PTA School of Excellence is a recognition program that supports and celebrates partnerships between PTAs and schools to enrich the educational experience and overall well-being for all students. Our participation this past school year in the School of Excellence program represented a significant investment in engaging families to improve our school and a commitment to strengthening family-school partnerships to benefit our students for years to come. We have hit our goal!

The National PTA recognized 173 schools and PTAs from across the country. The schools and PTAs represent 31 states. Of the winners, 15 schools were in NY, 3 from Williamsville—Heim Elementary, Heim Middle and Dodge Elementary. We are so proud to have our school recognized on this distinguished list, and realize that our PTA members and dedicated Heim parents are the reason we continue to thrive and grow. Thank you for your time and interest in our school programming. We look forward to creating a positive new school year for our Heim families!

## SCHOOL SOCIAL WORK - Nancy D. Fultz LCSWR

School Social Work services are available to students and their families in the Williamsville School District. As a School Social Worker in the Williamsville School District, I am excited to meet and work with the children and families at Heim Elementary. Together we can make a difference!

### **The following services are available at Heim:**

**Consultation and Referral** - Parents who have concerns regarding their child's adjustment at home or in school can discuss their concerns confidentially and will be assisted in developing a plan or in locating an appropriate community resource.

**Individual Counseling** - Counseling services are usually provided on a short term basis and are designed to assist children in their school adjustment.

**Support Groups** - The following support groups may be offered this year at various grade levels:

- Banana Splits (students dealing with separation or divorce)
- Cooperative Play Group
- Conflict Resolution Group
- Positive Peer Interaction Group (friendships)
- Self-Esteem Group
- Stress Management Group

**Classroom Programs**- Programs that will be offered within the school year as needed:

- Life Skills- all 3rd classrooms
- Mentoring
- Conflict Resolution
- Mindfulness
- Stress management
- Positive Peer Interactions

### **Special Friends Program**

A play activity program for children in the **first grade** who are experiencing mild school adjustment difficulties. Through a screening process which includes teacher, child and parent input, children are selected for this program. Through play activities children are helped to feel special in the school setting and given an extra "boost" in making a successful adjustment to their early school experience. This program has proved to be very popular with parents and children in Williamsville and in many districts throughout the state.

**If you have any questions, or would like additional information, please call Nancy D. Fultz at 626-8676.**

## **New York State Dignity for All Students Act**

The goal of the Dignity for All Students Act (DASA), which took effect July 1, 2012, is to provide students with a school environment free of discrimination and harassment by peers and by school personnel. It applies to behaviors on school property, in school buildings, on a school bus, as well as at school-sponsored events or activities. Incidents of harassment and discrimination may include, but are not limited to, threats, intimidation or abuse based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender (including gender identity or expression), and sex. These eleven categories are referred to as protected classes. In addition, amendments to the regulation (effective July 1, 2013) have added explicit references prohibiting bullying and cyber bullying.

If your child is the victim of harassment and/or discrimination this school year, please contact the Heim Elementary School DASA Coordinators:

Bonnie Stafford ([bstafford@willamsvillek12.org](mailto:bstafford@willamsvillek12.org)) and Nancy Fultz ([nfultz@willamsvillek12.org](mailto:nfultz@willamsvillek12.org)).
