Welcome Back to Heim Elementary, with News from Mrs. Stafford

Dear Heim Families:

WELCOME to the 2017-2018 school year! The beginning of every school year is a very exciting time for students, parents, faculty, staff and administration. As we embark on the 2017-2018 school year, the Heim faculty and staff will continue to work collaboratively to maintain the level of excellence that makes our school so special.

Our faculty and staff are committed to the academic success of our students and will work with their grade level teams to analyze student data and monitor progress to attain the learning goals that will ultimately improve overall student achievement.

Because the safety and well-being of our students is of the utmost importance at Heim Elementary, we will continue to have several safety procedures in place this year:

- All doors at the school will be locked during the school day and visitors will be “buzzed in” upon their arrival.
- Visitors MUST wear a “Visitor Badge” at all times while in the building.
- Visitors may not go to classrooms unannounced because this interrupts the instructional program. Someone from the Main Office will be more than happy to call the classroom if you need to stop down there for any reason.

Once again, these procedures are in place to keep our students as safe as possible. Please be assured, however, that parents are extremely valuable members of our Heim Family and your presence here is very welcome and encouraged.

We look forward to working with all of you this year to continue to make our school the best it can be!

Sincerely,
Mrs. Bonnie L. Stafford

SCHOOL SOCIAL WORK - Nancy D. Fultz LCSWR 716-626-8676

School social work services are available to all students and their families in the Williamsville School District. As a School Social Worker in the Williamsville School District, I am excited to meet and work with the children and families at Heim Elementary School. Together we can make a difference.

The following services are available at Heim Elementary:

Consultation and Referral – Parents who have concerns regarding their child's adjustment at home or in school can discuss their concerns confidentially and will be assisted in developing a plan or in locating an appropriate community resource.

Individual Counseling – Counseling services are usually provided on a short-term basis and are designed to assist children in their school adjustment. Referrals can be made by teachers, parents, or the Child Support Team (CST).

Support Groups – The following support groups may be offered this year at various grade levels:

- Banana Splits (students dealing with separation or divorce)
- Cooperative Play
- Conflict Resolution
- Positive Peer Interaction (Friendship)
- Stress Management
- Self-Esteem / Self-Confidence
- Organizational Skills

Children may be referred by parents, teachers, or the CST. Support groups are developed based on referrals and student needs.

Primary Project – Primary Project is a school-based early intervention and prevention program. It is designed to develop skills to improve school success and reduce social, emotional and school adjustments that children may experience in kindergarten and first grade.

If you have any questions, or would like additional information, please call Nancy Fultz at 626-8676.

New York State Dignity for All Students Act

The goal of the Dignity for All Students Act (DASA), which took effect July 1, 2012, is to provide students with a school environment free of discrimination and harassment by peers and by school personnel. It applies to behaviors on school property, in school buildings, on a school bus, as well as at school-sponsored events or activities. Incidents of harassment and discrimination may include, but are not limited to, threats, intimidation or abuse based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender (including gender identity or expression), and sex. These eleven categories are referred to as protected classes. In addition, amendments to the regulation (effective July 1, 2013) have added explicit references prohibiting bullying and cyber bullying.

If your child is the victim of harassment and/or discrimination this school year, please contact the Heim Elementary School DASA Coordinators:

Bonnie Stafford (bstafford@willamsvillek12.org) and Nancy Fultz (nfultz@willamsvillek12.org).

SAVE DASH'S MARKET RECEIPTS

Please keep saving your Dash's Market receipts throughout the school year. Heim can earn \$2.50 for every \$100 in Dash's Market receipts that our PTA redeems.

Collect your Dash's receipts (ask friends, neighbors, and relatives too). Cover credit card information but leave the final dollar amount. Bundle receipts together with a staple or rubber band. Send them to school with your child. There is a receipt box in the main hallway in the PTA mailbox alcove.

Questions? Contact Janis Drayton at janisdrayton@yahoo.com or 716-446-3901.

THANK\$!

Message From Your PTA President

Welcome to another school year here at Heim Elementary. There are a lot of great things going on this year, and we need your help to make them all happen.

If you've been a PTA member in the past, please renew your membership. If you're new to the school, or if you haven't been a member in the past, please become a member!

PTA is the oldest and largest child advocacy organization in America, with an incredible history of benefitting children. PTA is directly responsible for affordable hot school lunch programs, meaningful kindergarten education, bus safety, child labor laws, e-cigarette legislation, and much, much more.

The power of the PTA comes from members like you. The more members we have means the louder our voice is and the more likely it is that kids and education are front and center in legislators' minds.

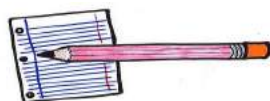

But more than just becoming a member, please sign up to volunteer. Our goal this year is to make sure every parent is asked to volunteer and feels welcomed when they do. Even if you can give one hour to one event, it makes a significant impact on the PTA. And it also helps your kids feel more comfortable and welcomed at school.

In September we're looking for people to help at the Wellness Picnic on September 8, to become cafeteria volunteers, to become library volunteers, and to help at Picture Day on October 2.

Also, please come to PTA's first meeting on September 18. We'll be having a fun event for your kids during the meeting, so please bring your whole family!

Have a great year, and I hope to see you at a bunch of events,

Tim Healy

Hello amazing parents!! The program has been a great success in past years.
