

# Maple East Elementary

## 2019-2020 School Goals

### Instruction and Assessment

*Continue the implementation process of Units of Study as a k-4 literacy program; Build staff capacity around the Units of Study program*

- Strengthen Units of Study pacing guides for each grade level; update and review as needed
- Provide teachers with professional development opportunities centered around Units of Study
- Archive and share exemplar Units of Study student work through the year
- Math: Implement consistent instructional language and strategies across all grades that promote conceptual understanding through the Concrete, Pictorial, and Abstract progression (C-P-A)
- Math: Increase student number sense and math fact fluency using research-based strategies, games, and other best practices

### Exceptional Education and Student Support

*Build the capacity of stakeholders to integrate and nurture students' social emotional well-being*

- Continue to integrate Mindfulness practices to build inner resiliency
- Increase positive behavioral supports for students
- Build capacity around implementation of inclusive practices that promote social, behavioral, and intellectual growth for all students
- Continue to provide instruction and opportunities for students to develop Social Emotional Competencies, including: Self-Awareness, Self-Management, Social Awareness, Relationship Skills, and Responsible Decision Making

### Technology

*Increase understanding of Google platform and how it can be utilized in an elementary school setting; Explore opportunities to increase paperless systems*

- Provide ongoing staff development to teachers and support staff on Google platform
- Enhance technology supports to teachers with additional resources
- Provide capital enhancements to the school computer lab

### School Climate and Culture

*Foster a positive and caring school climate for both students and staff*

- Plan for 60<sup>th</sup> Anniversary celebration and activities for Maple East
- Enhance school spirit days and use of school colors/logo/signage throughout the building
- Enhance home/ school communication through monthly newsletter and online communication
- Continue efforts to foster a warm and welcoming environment for parents, students and staff
