Important Update

Please remember to continue to answer the daily COVID questions each morning prior to the school day starting. Thank you!
If a student’s schedule has changed for 2nd semester and they need early release or late arrival, please WITS Mail Mr. Flanagan.

If you are an 11th or 12th grader that needs a parking pass, WITS Mail Mr. Thielke in the Main Office to get the process started.

Material/Supply pick-up is any school day from 8:00am - 4:00pm in at the Horseshoe entrance.

Course requests for students for their 2021-2022 schedule need to be finalized by parents (in WITS) by 2/12. Please challenge yourselves with a full courseload!

Digital Learning Expectations

Lessons being delivered remotely should not be recorded by students and/or shared publicly. The online learning classroom is intended for Williamsville North students to participate in. Any parent questions should be directed to teachers outside of the online classroom time. We encourage parents to continue to support their children by allowing them to independently attend synchronous class periods and assisting with homework and assignments outside of class time.

We are all adjusting to new learning experiences and new types of interactions. We all benefit when everyone shares the same expectations. Everyone is expected to adhere to all District Acceptable Use policies, whether they are using a District-provided device or a personal device.

Students are expected to continue to give their best effort on assignments. They will submit their own work and use online tools appropriately. They will also keep their login information and passwords private, with the exception of sharing them with their parents, guardians, or teachers when necessary.

We will all respect the intellectual property of others. Work created by a student is his or her own intellectual property. Work created by an educator is his or her own intellectual property and/or the intellectual property of the Williamsville Central School District. No work, whether printed, audio, or video, should be shared, published, or duplicated without the author’s permission.

There are expectations when interacting in a digital environment that apply to everyone participating in the conference as well as those who may be in the vicinity during the conference. Participation in video conferencing experiences is contingent upon adhering to these expectations. Participants in video conferences and everyone in the vicinity of the video conference will:

- wear clothing that is appropriate for school.
- use language that would be appropriate in a school setting.
- be on time and ready to participate.
- be in an environment conducive for learning, such as at a desk or table or sitting on a couch or chair.
- keep themselves and their devices stationary during the conference.
- respect the direction of the organizer of the conference regarding whether video is on or off and whether mics are on or muted.
- use their own name when signing in to the conference.
- check that the background appearing on screen is free of any items that would not be appropriate in a school setting.
- ensure that a parent or guardian is aware they will be participating in a video conference.
- notify any household members in the vicinity that a video conference is occurring and that their image may be seen and their voices may be heard.
- be mindful that the chat feature may be visible by other participants.
- respect the privacy of others by not recording or taking pictures of any portion of the conference.
- be aware of background noise and use a headset when necessary to prevent disrupting the conference.
- make their teachers aware of any concerns they have about online interactions.
- be mindful of the attire of any small children who may be in the vicinity of a video conference.

Social Emotional Strategy Of The Week: New Year - New You Challenge

It can be really tempting to hibernate during the winter months, but it’s a great time to focus on creating an even better you. Tackle the things you’ve been putting off or try some new things! Need some inspiration? Start a friendly family competition to see who gets BINGO first. Better yet, see if you can fill in the entire board during February.

Williamsville North Class of 2021, seniors and parents/guardians!

Over the next couple of months, we will be displaying the names and senior photos of all members of the Class of 2021 on our digital sign board which is located at the corner of Hopkins Rd. and Dodge Rd.

We have divided the class, at random, into groups in hopes that everyone who wants to will be able to see their name and picture. Each group will run 24 hours a day for one week starting on Monday morning & ending on Sunday night. We have excluded our two remaining breaks, 2/15 – 2/19 and 4/5 – 4/9 in anticipation of potential travel, and we will continue until we have displayed every member of the Class of 2021. In addition, we will WITS mail students as well as parents/guardians the Friday before their group is scheduled to be displayed.
