These academically talented seniors have an opportunity to continue in the competition for scholarships offered next spring. Over 95% of semifinalists are expected to attain Finalist standing and approximately half of the Finalists will win a National Merit Scholarship. Congratulations and best of luck in the 2022 National Merit Competition!
The following Williamsville North students have been named Commended Students in the 2022 National Merit Scholarship Program:

Daniel Chen
Sumitra Pandit
Aviana Pellegrinetti
Jonathan Shih
Anirudh Sriram
Ronald Vincent
Yolanda Wang

About 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Although they will not continue in the 2022 competition for Merit Scholarship Awards, Commended Students placed among the top 50,000 students who entered the 2022 competition by taking the 2020 Preliminary SAT/National Merit Scholarship Qualifying Test.

Each of these students has received a Letter of Commendation from North and National Merit Scholarship Corporation, which conducts the program.

Congratulations to these outstanding students!

We are on the lookout for students here at North High School that demonstrate strong peer leadership skills to join us in this year's chapter of SOURCES OF STRENGTH! Without strong Peer Leaders, Sources of Strength has no impact on the school community!

Nominated students received an invitation from their homeroom teacher.

Please join us at our peer leader get together on Wednesday, October 6th 4th MOD in B205. At this party, we'll discuss what it's like to be a SOURCES OF STRENGTH PEER LEADER and see if you're interested in joining this year's chapter of SOURCES OF STRENGTH.

The PTSA Council’s goal is to have student representatives from each of the high schools attend monthly meetings and to update the council on student events and activities at their respective schools. We felt that this would enhance the value of the Council and encourage more student involvement at the district level. Additionally, this provides students another avenue to give back to the school community and continue to build their school resume.
