Always bear in mind that your own resolution to succeed is more important than any one thing.

Spotlight on North’s Career Center
The Williamsville Central School District is seeking nominations for its Wall of Fame honoring graduates for extraordinary achievements in career and public service. The deadline for nominations is April 15, 2022.

The nomination form can be accessed at the following link: Wall of Fame Nomination Form

To be eligible, candidates must have graduated at least ten years ago from Williamsville East, North, or South High Schools, or be a graduate of the original Williamsville High School. Their contributions to humanity, community service, and philanthropic endeavors are important considerations along with their professional achievements and leadership.

Established in 2000, the Wall of Fame has recognized more than 100 Williamsville alumni for their contributions and accomplishments. The next induction ceremony will take place on Thursday, November 10, 2022.

The Williamsville Education Foundation, Inc. sponsors the Wall of Fame in conjunction with the District’s three high schools. The selection committee includes members of the Foundation Board of Directors and representatives from each Williamsville high school.

Nomination forms are available on the District website, the Foundation website, www.wedf.org, or by calling (716) 626-8005.

REMEMBER: Any student, faculty, or staff member that exhibits signs and/or symptoms of COVID-19 must stay home regardless of vaccination status. This also applies to any student, faculty, or staff member that receives a positive COVID-19 test result.
This past Sunday, 53 Williamsville North DECA members competed at the Region 12 competitions held at Grand Island HS. The students did a phenomenal job representing their school, their chapter and themselves in everything they did. North had an impressive showing, with 31 students qualifying for this year’s State Career Conference. Those students will be joined by 18 other members who are competing in a manual event at States this year.

Please help me congratulate the following 49 students on a job well done!

The Spartan of the Month program is meant to promote success in and out of the classroom. For a student to be a well-respected citizen, they must be able to balance many different areas of life. They must exemplify outstanding characteristics both as a student and as a citizen of the community. The student must be able to handle many different aspects of student life while maintaining excellence in the classroom. This award is designed to nominate and select students who promote and take pride in Williamsville North High School and in themselves. Congratulations to this month’s selections!

Shared Decision Making (SDM)

See our mission statement below. We work collaboratively to help shape our students to become successful leaders.

What we’ve accomplished in the last two years:
1. Created our school’s motto - Spartans: Learning Today, ...Leading Tomorrow
2. Branded our school spartan head
3. Clubs/Sports- Event of the Week
4. Created the Spartan of the Year Award

Current SDM Committee Members

Teacher Representatives: Mrs. Michelle Doviak (Chair), Ms. Emily Cardullo, and Mrs. Jackie Goergen
Administrative Representative: Mr. Bob Coniglio, Principal
Support Staff Representatives: Mrs. Patricia Ryan

Student Representatives: Angela Seo (12) and Gavin Miller (11)

Mission Statement

We are committed to fostering a safe, respectful & nurturing learning climate that encourages students to achieve their fullest potential academically, emotionally, physically & creatively. Our purpose is to positively impact education & allow for the personal growth of all students at Williamsville North, so that they can become the leaders of tomorrow & shape the future.

Shared Decision Making (SDM Goals)
We continue to confront issues that are relevant and that could make a positive impact on our school community. We have some academic and social emotional learning goals, along with last year's goal dealing with school unity.

*Social Emotional Learning Goal: This is a continued goal from last year. We will be working toward encouraging teachers to do community circles in their classrooms to help with social / emotional issues. The pandemic is still a part of our community, and we need to help students who are struggling emotionally. Our plan is to speak at a faculty meeting, post community circle prompts, and follow up with teachers in the spring.

Academic and School Community Building/ Unity Goal #1: Spartan of the Year Endeavor. Since there is no class rank anymore, we would like to build a sense of community through nominating a Spartan who represents everything about North-leadership, teamwork, etc. This is a goal from last year as well, and it was pretty successful. We would like to continue this endeavor and focus on communication (with students, parents, teachers, etc.). This is an honored tradition, and our goal is to publicize and clarify this honor. This student will speak at graduation this year just like our recipient, Sarah Jiang, did last year.

Academic and School Community Building/ Unity Goal #2: Freshmen Connection: We are concerned that freshmen aren’t making enough connections with the school community. Working with the guidance department, support staff (cafeteria monitors), administration, and teachers, we will survey staff and students regarding: freshmen behavior, freshmen academic needs/ wants, freshmen supports, etc. Our goal is to compile resources for freshmen and also create a means of keeping them connected to school (i.e., via clubs, through Link Crew, etc.).

School Community Building/ Unity Goal: Spartan Event of the Week. This was a goal we started two years ago, and we are tackling this again. This year, we will publicize an event each week and encourage students and community members to participate in the event. Club advisors will sign up for a designed slot in the weekly newsletter and using a slide template, will publicize their club. We’ve been working closely with administration to highlight all school events.

Communication Goal: We will communicate with community members via the weekly newsletter (who we are, parent/ student feedback and input). Our goal is to better educate the public about SDM’s work/ goals. *Mrs. Doviak will be speaking at PTSA on 11/1 re: our goals, past goals/ successes, etc.
