Beginning Thursday, March 31st, parents/guardians will be able to request COVID-19 at-home test kits to be sent home with their child(ren) through WITS. This survey will close on Monday, April 4th at 4:00 p.m. Currently, we have enough tests to provide two (2) test kits (2 boxes and 4 total tests) per student.

Tests will be sent home with child(ren) on Thursday, April 7th, prior to the Spring Recess.

This testing is not required but being made available to students. Please note, if your child(ren) receives a positive result from the COVID-19 at-home test, please report it to the Erie County Department of Health (ECDOH) at the following link: https://www3.erie.gov/covid/form/form-to-report-a-positive-covid-.

If your child(ren) tests positive for COVID-19, please keep them home, notify their building of attendance, and follow all of the appropriate return to school criteria prior to sending them back to school.

As a reminder, negative results on COVID-19 at-home tests are now acceptable for return to school protocol. Parents/guardians can e-mail their child’s building of attendance indicating their child received a negative result through the COVID-19 at-home test kit. If you have any questions, please contact your building nurse.
Congratulations to the following North High School students who will be inducted into the NATIONAL HONOR SOCIETY at a ceremony to be held in North’s auditorium on Tuesday, April 5, 2022

AIRDROP TECH TIPS

AirDrop (Using iPhones or Apple devices) can be a great tool for sharing resources. Apple users should be aware of iPhone settings to limit unwanted sharing.

HOW TO EDIT AIRDROP SETTINGS

You can turn receiving off, or limit to contacts only. You will still get pop-ups asking you if you accept the AirDrop.

NAME YOUR DEVICE PROPERLY

It is recommended that you only accept AirDrop requests from known devices. “iPhone” may be too generic.

We're officially in 2022 and getting closer to the end of year Senior activities. There are still senior class committees that have no chairs or could still use extra help. We are looking for a chair to organize collecting local business donations. This would entail sending letters and/or visiting local businesses and working to get $25 dollar gift cards donated. Great ideas are local pizza places, coffee shops, smoothie bars, gas, restaurants, convenience stores, etc. If you would be able to help with this committee or have a couple of friends that would like to do it together we could really use your help. The other committees we have, that could always use more help are:

"Super prize" donations
Senior and Guest registration
Decorations
Food and Beverage
Prize distribution
Fundraising

Also, if anyone is able to donate gift cards or items that the students would be excited about winning we would love your donations.

Other ways to help the senior class is to save your Dash's receipts and bring them to the main office and sign up on Amazon smile for Williamsville North HS and a % of all your purchases on Amazon will go to our PTSA.

Thank you and if you have any questions please contact Taunya Abaya (taunyaabaya@yahoo.com) or Andrea Weissenburg (ap1yz@aol.com)

Administrative Representative: Mr. Bob Coniglio, Principal
Support Staff Representatives: Mrs. Patricia Ryan
Community Member Representative: Mr. Tom Lucia
Student Representatives: Angela Seo (12) and Gavin Miller (11)

Mission Statement

We are a representative group of the Williamsville community who agree to convene in order to plan, problem-solve & set direction for the improvement of student achievement & character development at Williamsville North High School. We are committed to fostering a safe, respectful & nurturing learning climate that encourages students to achieve their fullest potential academically, emotionally, physically & creatively. Our purpose is to positively impact education & allow for the personal growth of all students at Williamsville North, so that they can become the leaders of tomorrow & shape the future.
GOALS FOR 2021-2022

Shared Decision Making (SDM Goals)
We continue to confront issues that are relevant and that could make a positive impact on our school community. We have some academic and social emotional learning goals, along with last year's goal dealing with school unity.

*Social Emotional Learning Goal: This is a continued goal from last year. We will be working toward encouraging teachers to do community circles in their classrooms to help with social / emotional issues. The pandemic is still a part of our community, and we need to help students who are struggling emotionally. Our plan is to speak at a faculty meeting, post community circle prompts, and follow up with teachers in the spring.

Academic and School Community Building/ Unity Goal #1: Spartan of the Year Endeavor. Since there is no class rank anymore, we would like to build a sense of community through nominating a Spartan who represents everything about North-leadership, teamwork, etc. This is a goal from last year as well, and it was pretty successful. We would like to continue this endeavor and focus on communication (with students, parents, teachers, etc.). This is an honored tradition, and our goal is to publicize and clarify this honor. This student will speak at graduation this year just like our recipient, Sarah Jiang, did last year.

Academic and School Community Building/ Unity Goal #2: Freshmen Connection: We are concerned that freshmen aren’t making enough connections with the school community. Working with the guidance department, support staff (cafeteria monitors), administration, and teachers, we will survey staff and students regarding: freshmen behavior, freshmen academic needs/ wants, freshmen supports, etc. Our goal is to compile resources for freshmen and also create a means of keeping them connected to school (i.e., via clubs, through Link Crew, etc.).

School Community Building/ Unity Goal: Spartan Event of the Week. This was a goal we started two years ago, and we are tackling this again. This year, we will publicize an event each week and encourage students and community members to participate in the event. Club advisors will sign up for a designed slot in the weekly newsletter and using a slide template, will publicize their club. We’ve been working closely with administration to highlight all school events.

Communication Goal: We will communicate with community members via the weekly newsletter (who we are, parent/ student feedback and input). Our goal is to better educate the public about SDM’s work/ goals. *Mrs. Doviak will be speaking at PTSA on 11/1 re: our goals, past goals/ successes, etc.

Mission Statement
We are a representative group of the Williamsville community who agree to convene in order to plan, problem-solve & set direction for the improvement of student achievement & character development at Williamsville North High School. We are committed to fostering a safe, respectful & nurturing learning climate that encourages students to achieve their fullest potential academically, emotionally, physically & creatively.
